George W. Dana, Town Clerk

PROCEEDINGS OF THE SPECIAL TOWN MEETING

MARCH 24, 1970

The meeting was called to order by the Moderator, Paul A. Cataldo at 8:05 P.M. at the Franklin High School. There being an overflow of voters, about 300 voters were seated in the gymnasium which was connected to the auditorium by loud speakers. Robert Nugent was Moderator in the gymnasium. The following were appointed as tellers: Harvard Nasuti, Richard Morrissey, J. Walter Chilson, Louis J. Cataldo, Richard Fraser and Henry Ficco for the Auditorium; William Cullen, John Levins, Ray Cleary and George Cummings for the Gymnasium.

Warrant and return of Warrant was read by Town Clerk, George W. Dana.

ARTICLE 1.

REPORT AND RECOMMENDATION OF THE TOWN PLANNING BOARD
TO THE SPECIAL TOWN MEETING

MARCH 24, 1970

In accordance with the provision of the General Laws, a public hearing was held by the Franklin Planning Board in the Franklin High School, Franklin, Massachusetts, Monday, March 23, 1970 at 8:00 P.M. on the following article:

To see if the town will vote to amend the zoning map of the Town of Franklin in the following manner: To rezone from Rural Residential I, Commercial II and Residential IIIA, to Industrial, the following parcel: Beginning at the point of intersection of the southerly side of Route 495 and the northerly side of Washington Street; thence Northwesterly along Route 495 to the existing Industrial district; thence Southwesterly along said district to Grove Street; thence southeasterly on a line parallel to and equidistant from Route 495 to Washington Street; thence North-easterly along Washington Street to the point of beginning. (By Planning Board)

There were fifteen (15) persons present and one objector.

RECOMMENDATION: That the town vote to amend the zoning map of the Town of Franklin in the following manner: To rezone from Rural Residential I, Commercial II and Residential IIIA, to Industrial, the following parcel: Beginning at the point of intersection of the southerly side of Route 495 and the northerly side of Washington Street; thence northwesterly along Route 495 to the existing Industrial district; thence southwesterly along said district to Grove Street; thence southeasterly on a line parallel to and equidistant from Route 495 to Washington Street; thence northeasterly along Washington Street to the point of beginning.

Respectfully submitted,
FRANKLIN PLANNING BOARD

Paul M. DeBaggis
William H. Barker, Jr.
Charles F. McNally

UNANIMOUSLY VOTED that the Town amend the zoning map of the Town of Franklin in the following manner: To rezone from Rural Residential I, Commercial II and Residential IIIA, to Industrial, the following parcel: Beginning at the point of intersection of the southerly side of Route 495 and the northerly side of Washington Street; thence northwesterly along Route 495 to the existing Industrial district; thence southwesterly along said district to Grove Street; thence southeasterly on a line parallel to and equidistant from Route 495 to Washington Street; thence northeasterly along Washington Street to the point of beginning.

ARTICLE 2.

VOTED that this article be indefinitely postponed.

ARTICLE 3.

UNANIMOUSLY VOTED that the Town raise and appropriate the sum of \$10,000.00 to search and develop additional water supply for the Town, said sum to be expended under the direction of the Board of Public Works.

ARTICLE 4.

Very truly yours,
BOARD OF PUBLIC WORKS

Kenneth W. White, Chairman

Felix Carlino, P.E.
Director of Public Works

UNANIMOUSLY VOTED that the Town raise and appropriate the sum of \$20,000.00 and that the Treasurer, with the approval of the Selectmen be authorized to borrow \$110,000.00 under Chapter 44, Section 7 (1) of the General Laws,

for the purpose of constructing sewers, but that no contract be let or money expended except for an engineering survey, until such time that Honeywell, Inc. has entered into a contract and plant construction has begun and that one-third of the cost of said system be assessed upon the owners of estates situated within said system and benefited thereby, in accordance with Chapter 613 of the Acts of 1912, as amended, said sums to be expended under the direction of the Board of Public Works.

ARTICLE 5.

UNANIMOUSLY VOTED that the Town raise and appropriate the sum of \$15,000.00 for laying water mains of not less than six inches, but less than sixteen inches in diameter, but that no money be expended until such time that Honeywell, Inc. has entered into a contract and begins construction, said sum to be expended under the direction of the Board of Public Works.

ARTICLE 6.

UNANIMOUSLY VOTED that the Town raise and appropriate the sum of \$19,047.28 in accordance with Chapter 44, Section 64 of the General Laws, to pay the unpaid bills as listed in this Article.

ARTICLE 7.

VOTED that this article be indefinitely postponed.

ARTICLE 8.

UNANIMOUSLY VOTED that the Town raise and appropriate the sum of \$5,000.00 to obtain an in depth study of the renovation needs of the Davis Thayer School, said sum to be expended under the direction of the School Committee.

ARTICLE 9.

VOTED that this Article be indefinitely postponed.

ARTICLE 10.

VOTED that this Article be indefinitely postponed.

ARTICLE 11.

VOTED that the Town petition the General Court to enact legislation allowing Nicholas M. Dangelo to take the police entrance examination for the Town of Franklin notwithstanding any age requirements to the contrary.

ARTICLE 12.

VOTED that this article be indefinitely postponed.

ARTICLE 13.

VOTED that this article be indefinitely postponed.

ARTICLE 14.

VOTED that the Town petition the General Court for legislation permitting the present incumbent of the office of Town Accountant to take a Qualifying examination for the position under Civil Service.

Meeting adjourned 10:43 P.M.

George W. Dana, Town Clerk

PROCEEDINGS OF THE ANNUAL ADJOURNED TOWN MEETING

MARCH 24, 1970

The meeting was called to order by the Moderator, Paul A. Cataldo, at 7:30 P.M. Warrant and return of Warrant was read by George W. Dana.

ARTICLE 8. VOTED that the Town vote to authorize the appointment, by the Board of Selectmen, of a 5 man Charter Study Committee, to study and report back to the Board of Selectmen of the need of a Charter Commission, no later than August 1, 1970.

ARTICLE 9. VOTED that the Town vote to rescind the unissued balance of a \$10,000.00 loan authorized under Article 1 of the Special Town Meeting held April 29, 1965.

ARTICLE 10. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money which may be used in conjunction with any funds which may be allocated by State or Federal Government to construct, equip and furnish a new Town Hall on the present site or any other site so voted. Said sum to be expended under the direction of the Town Hall Building Committee or take any other action relative thereto. (By Municipal Building Committee)

VOTED that this Article be indefinitely postponed.

ARTICLE 11. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to demolish and remove the present Town Hall in its entirety for the purpose of constructing a new Town Hall on this location or take any other action relative thereto. (By Municipal Building Committee)

VOTED that this article be indefinitely postponed.

ARTICLE 12. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to purchase the Charles Guerra property on East Street. Also to include the demolishing and removing existing buildings thereon and necessary paving to create a municipal parking lot or take other action relative thereto. (By Municipal Building Committee)

VOTED that this article be indefinitely postponed.

ARTICLE 13. To see if the Town will vote to empower the present Municipal Building Committee originally appointed by the Town Moderator to continue as a Town Hall Building Committee to construct, equip, and furnish the new proposed Town Hall or take any other action relative thereto. (By Municipal Building Committee)

VOTED that this article be indefinitely postponed.

ARTICLE 14. UNANIMOUSLY VOTED that the Town transfer the sum of \$82,500.00 from the Stabilization Fund to construct, equip and furnish additions to the existing Fire Station.

ARTICLE 15. VOTED that the Town authorize the Moderator to appoint a Fire Station Building Committee with full authority to enter into any and all agreements or contracts necessary or incidental to the construction, equipping and furnishing of new additions to the Town Fire Station that the Town has voted to construct, equip and furnish.

Meeting adjourned to March 31, 1970 at 7:35 P.M.

ARTICLE 16. UNANIMOUSLY VOTED that the Town transfer from the Excess and Deficiency Account the sum of \$9,000.00 for Chapter 90 New Construction on Oak, Forge Hill, Pond and Old West Central Streets; and the sum of \$4,000.00 for the repair and maintenance of Chapter 90 Roads, said sums to be used in conjunction with any funds which may be allotted by the State, County, or both, for these purposes, the same to be expended under the direction of the Board of Public Works.

ARTICLE 17. To see if the Town will vote to transfer from available funds under the provisions of Chapter 768, Acts of 1969, the sum of Forty-One Thousand Four Hundred Eleven Dollars and Sixteen cents (\$41,411.16) for the purpose of reconstruction, maintenance and repair of Union Street, said sum to be expended under the direction of the Board of Public Works, or take any action relating thereto. (By Board of Public Works)

VOTED that this article be indefinitely postponed.

ARTICLE 18. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of Forty-Seven Thousand Three Hundred Twenty Dollars and Ninety-eight cents (\$47,320.98) for installation of a curbing and sidewalk composed of Bituminous concrete, on the Easterly side of Pond Street a distance of two miles, said sum to be expended under the direction of the Board of Public Works, or take any action relating thereto. (By Board of Public Works)

VOTED that this article be indefinitely postponed.

ARTICLE 19. VOTED that the Town establish a Personnel Board for the purpose of administering said Personnel By-Law pursuant to Chapter 41, Section 108C of the General Laws, as amended, which Board shall be appointed by the Moderator and shall not include any Town employee or elected officials.

ARTICLE 20. VOTED that the Town adopt a Personnel By-Law as authorized under Section 108C, Chapter 41 of the General Laws, as amended.

ARTICLE 21. VOTED that the Town choose by ballot the Treasurer-Collector for a term of three years as provided by General Laws, Chapter 41, Section 1, such term to become effective with the Annual Town Meeting of 1971.

ARTICLE 22. UNANIMOUSLY VOTED that the Town raise and appropriate the sum of \$58,500.00 for the purpose of making improvements in the water system necessary for the proper protection, maintenance and for the construction of a pumping station and the development of additional water supply, including well, pipes, power and power lines, original pumping station equipment, said sum to be expended under the direction of the Board of Public Works.

ARTICLE 23. UNANIMOUSLY VOTED that the Town raise or appropriate the sum of \$6,500.00 to supplement the sum of \$16,000.00 voted by Article 24 of the Annual Town Meeting of March 25, 1969 for the purpose of acquiring by purchase and/or by taking by right of eminent domain, pursuant to the provisions of Chapter 79 and Chapter 40, of the General Laws, of Massachusetts or all acts amendatory thereof or supplementary thereto, all or any of the several parcels of land situated on or off the easterly side of Miller Street, all shown on Plan entitled Plan of Land, in Franklin, Massachusetts dated October 21, 1968, Ellsworth & Holman Engineering Associates, Inc., said parcels, comprising approximately 13 acres of land; for the purpose of laying out, constructing, operating and maintaining, new gravel packed wells for the domestic water supply of the residents of the Town of Franklin and for all other facilities for use in connection therewith; said sum of money to be expended under the direction of the Board of Public Works.

ARTICLE 24. To see if the Town will vote to change the name of the Street, "Harborwood Drive" in the Town of Franklin, Massachusetts, to Jefferson Drive, or do anything relating thereto. (By Franklin Planning Board)

VOTED that this article be indefinitely postponed.

ARTICLE 25.

REPORT AND RECOMMENDATION OF THE TOWN PLANNING BOARD
TO THE ANNUAL TOWN MEETING
MARCH 24, 1970

In accordance with the provision of the General Laws, a public hearing was held in the Town Hall, Franklin, Massachusetts on Monday, August 4, 1969, at 8:00 P.M. relative to changing School Street (City Mills) to Bullukian Drive.

There were twelve (12) persons present and no objectors.

RECOMMENDATION: That this article be accepted, that the Town change the name "School Street" (City Mills) to Bullukian Drive.

Respectfully submitted,
FRANKLIN PLANNING BOARD

Paul M. DeBaggis
Charles F. McNally
William H. Barker, Jr.

VOTED that the Town change the name of the street, "School Street" (City Mills) in the Town of Franklin, Massachusetts, to Bullukian Drive.

ARTICLE 26. To see if the Town will vote to change the name of the Street, "Hayes Street" in the Town of Franklin, Massachusetts, to Crocker Avenue, or do anything relating thereto. (By Franklin Planning Board)

VOTED that this article be indefinitely postponed.

ARTICLE 27. To see if the Town will vote to change the name of the Street, "Dean Street" in the Town of Franklin, Massachusetts, to Crocker Avenue, or do anything relating thereto. (By Franklin Planning Board)

VOTED that this article be indefinitely postponed.

ARTICLE 28. To see if the Town will vote to change the name of the Street, "Anthony Street" in the Town of Franklin, Massachusetts, to Ellis Drive, or do anything relating thereto. (By Franklin Planning Board)

VOTED that this article be indefinitely postponed.

ARTICLE 29. UNANIMOUSLY VOTED that the Town transfer the sum of \$46,000.00 from the Sewer Revenue Surplus Account and to raise and appropriate \$10,800.00 for the purpose of hiring consulting engineers for the development of a comprehensive sewerage and sewage treatment report for the Town of Franklin, the total amount to be reduced by any available State or Federal Funds, said sums to be expended under the direction of the Board of Public Works.

ARTICLE 30. UNANIMOUSLY VOTED that the Town raise and appropriate the sum of \$15,000.00 to be used in conjunction with the trade in value of one 1939 Dodge Forest Fire Truck to purchase and fully equip a new Forest Fire Truck for the Fire Department, said funds to be expended under the direction of the Fire Chief and the Board of Selectmen.

ARTICLE 31. To see if the Town will vote to raise and appropriate a sum of money to be used in conjunction with funds appropriated under Article 13, Annual Warrant March 25, 1969 for the purchase of a new Town Ambulance, said funds to be expended under the direction of the Fire Chief and the Board of Selectmen or do anything relating thereto. (By Fire Chief and Selectmen)

ARTICLE 32. VOTED that the Town accept the provisions of Section 8D, Chapter 40 of the General Laws establishing a historical commission for the Town of Franklin.

ARTICLE 33. To see if the Town will vote to raise and appropriate or transfer from available funds or raise by bond issue or notes in accordance with provisions of Chapter 44 of the General Laws a sum of money for the purpose of laying out, constructing, operating and maintaining a system of sewerage disposal on Dean Street, and Fales Street, for a distance of approximately One Thousand Seven

Hundred and Ninety-six (1,796) linear feet. And to determine by which of the methods referred to in or authorized by Chapter 613 of the Act of 1912 or by applicable provisions of the General Laws, the portion of the cost of construction of sewers herein, authorized to be paid and assessed upon the owners of the estates situated within the territory embraced by said system and benefited thereby, shall be made or computed, said sum to be expended under the direction of the Board of Public Works, or do anything relative thereto. (By Board of Public Works)

VOTED that this article be indefinitely postponed.

ARTICLE 34. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of Forty-Nine Thousand, Six Hundred and Fifty Dollars (\$49,650.00) to install a water main on Beaver Street from Grove Street to West Central Street, a distance of approximately 4,210 linear feet, said sum to be expended under the direction of the Board of Public Works or take any action relative thereto. (By Board of Public Works)

ARTICLE 35. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of Three Thousand Eight Hundred Dollars (\$3,800.00) for the purchase of a new pick-up truck with two-way radio, said sum to be expended under the direction of the Superintendent of Insect and Pest Control, or take any action relative thereto. (By Superintendent of Insect Pest Control)

VOTED that this article be indefinitely postponed.

ARTICLE 36. VOTED that the Board of Assessors be authorized to appoint one of its members, Mr. John Yadisernia, as a full time assessor, and that the sum of \$5,000.00 be raised and appropriated for the Salary of such office.

ARTICLE 37. To see if the Town will vote to raise and appropriate or transfer from available funds or raise by bond issue or notes in accordance with provisions of Chapter 44 of the General Laws a sum of Money for the purpose of laying out, constructing, operating and maintaining a system of sewerage disposal on Rolling Ridge Road and Hilltop Road a distance of approximately Two Thousand Four Hundred and Ninety Feet (2,490 ft.) And to determine by which of the methods referred to in or authorized by Chapter 613 of the Act of 1912 or by applicable provisions of the General Laws, the portion of the cost of construction of sewers herein, authorized to be paid and assessed upon the owners of the estates situated within the territory embraced by said system and benefited thereby shall be made or computed, said sum to be expended under the direction of the Board of Public Works, or do anything relative thereto. (By Board of Public Works)

VOTED that this article be indefinitely postponed.

ARTICLE 38. VOTED that the sum of \$3,000.00 be raised and appropriated to remove badly decayed and dangerous trees on our Town roads, said sum to be expended under the direction of the Board of Public Works.

ARTICLE 39. To see if the Town will vote to raise and appropriate or transfer from available funds or raise by bond issue or notes in accordance with provisions of Chapter 44 of the General Laws, a sum of money for the purpose of laying out, constructing, operating and maintaining a system of sewerage disposal on Oak Street from Highland Street, extending for a distance of approximately two thousand three hundred and ninety linear feet westerly and to determine by which of the methods referred to in or authorized by Chapter 613 of the Act of 1912 or by applicable provisions of the General Laws, the portion of the cost of construction of sewers herein, authorized to be constructed by the Town to be paid and assessed upon the owners of the estates situated within the territory embraced by said system and benefited thereby, shall be made or computed, said sum to be expended under the direction of the Board of Public Works, or do anything relative thereto. (By Board of Public Works)

VOTED that this article be indefinitely postponed.

ARTICLE 40. VOTED BY SECRET BALLOT, Yes 227, No 85 that the Town raise and appropriate the sum of \$15,000.00 (to be used in conjunction with funds appropriated under Article 4, Special Town Meeting of December 8, 1969) for the purpose of laying out, constructing, operating and maintaining a system of sewerage on Oak Street Extension and George Road for a distance of approximately 1,370 feet, and that one-third of the cost of said system be assessed upon the owners of estates situated within said system and benefited thereby, in accordance with Chapter 613 of the Acts of 1912 as amended, said sum to be expended under the direction of the Board of Public Works.

ARTICLE 41. VOTED that the sum of \$3,055.34, the income of the Fletcher Fund, be appropriated for the construction of and equipment for playgrounds and recreation fields, said sum to be expended under the direction of the Playground Committee.

ARTICLE 42. VOTED that the Town authorize the Selectmen to enter into a contract with the Massachusetts Bay Transportation Authority in order to provide continuing passenger train service for the Town of Franklin; and that the sum of \$926.66 be transferred from Article 51 of the 1969 Annual Town Meeting in order to fulfill any existing or future contractual obligations on account of this service.

ARTICLE 43. VOTED that the Town raise and appropriate the sum of \$8,500.00 for the purpose of purchasing and installing floodlights at Theron Metcalf Field, said sum to be expended under the direction of the Department of Public Works and the Playground Committee with the cooperation of the School Committee.

ARTICLE 44. VOTED that the Town raise and appropriate the sum of \$3,300.00 to install a 6 inch water main on Thayer Street, a distance of approximately 350 linear feet, said sum to be expended under the direction of the Board of Public Works.

ARTICLE 45. UNANIMOUSLY VOTED that the Town raise and appropriate the sum of \$29,300.00 for the following drainage projects: \$16,000.00 to continue a

system of drainage on Union and Nason Streets and tie into the drain on Sugar Beet Street; \$5,000.00 to continue a system of drainage on Pond Street; and \$8,300.00 for a system of drainage on Beth Road; said sums to be expended under the direction of the Board of Public Works.

ARTICLE 46. VOTED that the Town raise and appropriate the sum of \$7,300.00 to establish a full time Director of Recreation effective not earlier than July 1, 1970, and that said sum be apportioned as follows: Director's Salary, \$4,500.00; part time clerk, \$1,100.00; office expense \$700.00; and equipment \$1,000.00. Said sum to be expended under the direction of the Playground Committee.

ARTICLE 47. VOTED that the Town raise and appropriate the sum of \$4,000.00 to resurface the tennis courts, install 10 unbreakable flood lights and four tennis net posts on the tennis courts at Fletcher Field, said sum to be expended under the direction of the Playground Committee.

ARTICLE 48. To see if the Town will vote to amend the Zoning Laws of the Town of Franklin in the following manner: Add to Section III-D the following: 4. The following used under special permit by the Board of Appeals: a. On lots having an area of not more than 30,000 square feet, and where a substantial structure will be removed, the Board of Appeals may vary the schedule in III-D 2 to allow not more than one dwelling unit for each 1,500 square feet up to 9,000 square feet; not more than one dwelling unit for each additional 2,000 square feet up to 21,000 square feet; and not more than one dwelling unit for each 3,000 square feet thereafter. (By Petition)

VOTED that this article be indefinitely postponed.

ARTICLE 49. To see if the Town will vote to amend the Zoning Laws of the Town of Franklin in the following manner: Add to Section III-A 16 the following: f. Two family dwelling if located on a lot having an area of not less than 60,000 square feet. (By Petition)

VOTED that this article be indefinitely postponed.

ARTICLE 50. To see if the Town will vote to amend the Zoning Laws of the Town of Franklin in the following manner: Add to Section III-C 18 b. the following: On lots having an area of not more than 40,000 square feet, and where a substantial structure will be removed, the Board of Appeals may vary the above schedule to allow not more than one dwelling unit for each 2,000 square feet up to 16,000 square feet, and not more than one dwelling unit for each 3,000 square feet thereafter. (By Petition)

VOTED that this article be indefinitely postponed.

ARTICLE 51. VOTED that the Town authorize the Board of Selectmen to appoint a permanent committee for the purpose of developing the Beaver Pond area into a swimming and recreational area; said Committee to be composed of 7 members and to be designated as Beaver Pond Recreational Committee.

ARTICLE 52. VOTED BY STANDING VOTE, Yes 166, No 94 that the Town raise and appropriate the sum of \$9,999.00 to be used by the Beaver Pond Recreational Committee for the purpose of developing the said Beaver Pond area into a swimming and recreational area.

Meeting adjourned to Thursday, April 2, 1970, at 7:30 P.M.

ARTICLE 53. REPORT AND RECOMMENDATION OF THE TOWN PLANNING BOARD TO THE ANNUAL TOWN MEETING MARCH 24, 1970.

To see if the Town will vote to amend the Zoning Map of the Town of Franklin in the following manner: To change from Single Family Residential III and Rural Residential II to General Residential III-A a certain parcel of land situated on the northerly side of West Central Street, bounded and described as follows: Southerly by West Central Street, 230 feet, more or less; Westerly by land now or formerly of 1847 Association, Inc., 580 feet, more or less; Northerly by land now or formerly of Jensen-Bielski, Inc., 240 feet, more or less; Easterly by land now or formerly of Palumbo and Guisti, 585 feet, more or less; or take any other action relative thereto. (By Petition)

There were five (5) persons present and no objectors.

RECOMMENDATION: That the Town vote to amend the Zoning Map of the Town of Franklin in the following manner: To change from Single Family Residential III and Rural Residential II to General Residential III-A a certain parcel of land situated on the northerly side of West Central Street, bounded and described as follows: Southerly by West Central Street, 230 feet, more or less; Westerly by land now or formerly of 1847 Association, Inc., 580 feet, more or less; Northerly by land now or formerly of Jensen-Bielski, Inc., 240 feet, more or less; Easterly by land now or formerly of Palumbo and Guisti, 585 feet, more or less.

VOTED BY STANDING VOTE, Yes 123, No 19 that the Town amend the Zoning Map of the Town of Franklin in the following manner: To change from Single Family Residential III and Rural Residential II to General Residential III-A a certain parcel of land situated on the northerly side of West Central Street, bounded and described as follows: Southerly by West Central Street, 230 feet, more or less; Westerly by land now or formerly of 1847 Association, Inc., 580 feet, more or less; Northerly by land now or formerly of Jensen-Bielski, Inc., 240 feet, more or less; Easterly by land now or formerly of Palumbo and Guisti, 585 feet, more or less.

ARTICLE 54. REPORT AND RECOMMENDATION OF THE TOWN PLANNING BOARD TO THE ANNUAL TOWN MEETING MARCH 24, 1970.

In accordance with the provision of the General Laws, a public hearing was held in the Town Hall, Franklin, Massachusetts, by the Franklin Planning Board, on Monday, February 2, 1970, at 8:15 P.M., on the following article:

To see if the Town will vote to amend the Zoning Map of the Town of Franklin in the following manner: To change from Rural Residential II to General Residential

III-A a certain parcel of land situated off the northerly side of West Central Street, bounded and described as follows: Southerly by a line parallel with and 1000 feet distant from the northerly line of West Central Street 1400 feet more or less; Westerly by land now or formerly of Siegel, 875 feet, more or less; Northerly and Northwesterly by land now or formerly of Town of Franklin, 855 feet, more or less; Northeasterly by various courses by land now or formerly of Town of Franklin, 1300 feet, more or less; Easterly by land now or formerly of Town of Franklin, 250 feet, more or less; (said parcel is shown on a plan entitled "Plan of Land in Franklin, Mass., Proposed Zoning Change," dated Dec. 8, 1969 and prepared by Somerville Engineering Services, Inc.) or take any other action relative thereto. (By Petition)

There were five (5) persons present and no objectors.

RECOMMENDATION: That the Town vote to amend the Zoning Map of the Town of Franklin in the following manner: To change from Rural Residential II to General Residential III-A a certain parcel of land situated off the northerly side of West Central Street, bounded and described as follows: Southerly by a line parallel with and 1000 feet distant from the northerly line of West Central Street 1400 feet more or less; Westerly by land now or formerly of Siegel, 875 feet, more or less; Northerly and Northwesterly by land now or formerly of Town of Franklin, 855 feet, more or less; Northeasterly by various courses by land now or formerly of Town of Franklin, 1300 feet, more or less; Easterly by land now or formerly of Town of Franklin, 250 feet, more or less; (said parcel is shown on a plan entitled "Plan of Land in Franklin, Mass., Proposed Zoning Change," dated Dec. 8, 1969 and prepared by Somerville Engineering Services, Inc.)

VOTED BY STANDING VOTE, Yes 128, No 21 that the Town amend the Zoning Map of the Town of Franklin in the following manner: To change from Rural Residential II to General Residential III-A a certain parcel of land situated off the northerly side of West Central Street, bounded and described as follows: Southerly by a line parallel with and 1000 feet distant from the northerly line of West Central Street, 1400 feet more or less; Westerly by land now or formerly of Siegel, 875 feet, more or less; Northerly and Northwesterly by land now or formerly of Town of Franklin, 855 feet, more or less; Northeasterly by various courses by land now or formerly of Town of Franklin, 1300 feet, more or less; Easterly by land now or formerly of Town of Franklin, 250 feet, more or less; (said parcel is shown on a plan entitled "Plan of Land in Franklin, Mass., Proposed Zoning Change," dated Dec. 8, 1969 and prepared by Somerville Engineering Services, Inc.)

ARTICLE 55. REPORT AND RECOMMENDATION OF THE TOWN PLANNING BOARD TO THE ANNUAL TOWN MEETING MARCH 24, 1970.

In accordance with the provision of the General Laws, a public hearing was held by the Franklin Planning Board, in the Town Hall, Franklin, Massachusetts, on Monday, February 23, 1970, at 8:00 P.M., on the following article:

To see if the Town will vote to amend the Zoning Map of the Town of Franklin in the following manner: To change from Single Family Residential III and Rural

Residential II to Commercial II a certain parcel of land situated on the northerly side of West Central Street, bounded and described as follows: Southerly by West Central Street, 600 feet, more or less; Easterly by land now or formerly of Vendetti (abutting in part land zoned Commercial II), 1000 feet, more or less; Northerly by a line parallel with 1000 feet distant from the northerly line of West Central Street, 1400 feet, more or less; Westerly by land now or formerly of 1847 Association, Inc., and other owners unknown, 450 feet more or less; Northerly by land now or formerly of D'Aniello and Palumbo, 460 feet, more or less; Westerly by land now or formerly of Palumbo, 570 feet, more or less; (said parcel is shown on a plan entitled "Plan of Land in Franklin, Mass., Proposed Zoning Change" dated December 8, 1969 and prepared by Somerville Engineering Services, Inc.) or take any other action relative thereto. (By Petition)

There were seven (7) persons present and no objectors.

RECOMMENDATION: That the Town vote to amend the Zoning Map of the Town of Franklin in the following manner: To change from Single Family Residential III and Rural Residential II to Commercial II a certain parcel of land situated on the northerly side of West Central Street, bounded and described as follows: Southerly by West Central Street, 600 feet, more or less; Easterly by land now or formerly of Vendetti (abutting in part land zoned Commercial II), 1000 feet, more or less; Northerly by a line parallel with and 1000 feet distant from the northerly line of West Central Street, 1400 feet, more or less; Westerly by land now or formerly of 1847 Association, Inc., and other owners unknown, 450 feet, more or less; Northerly by land now or formerly of D'Aniello and Palumbo, 460 feet, more or less; Westerly by land now or formerly of Palumbo 570 feet, more or less; (said parcel is shown on a Plan entitled "Plan of Land in Franklin, Mass., Proposed Zoning Change" dated December 8, 1969 and prepared by Somerville Engineering Services, Inc.)

FRANKLIN PLANNING BOARD

VOTED BY STANDING VOTE, Yes 140, No 11 that the Town amend the Zoning Map of the Town of Franklin in the following manner: To change from Single Family Residential III and Rural Residential II to Commercial II a certain parcel of land situated on the northerly side of West Central Street, bounded and described as follows: Southerly by West Central Street, 600 feet, more or less; Easterly by land now or formerly of Vendetti (abutting in part land zoned Commercial II), 1000 feet, more or less; Northerly by a line parallel with and 1000 feet distant from the northerly line of West Central Street, 1400 feet, more or less; Westerly by land now or formerly of 1847 Association, Inc., and other owners unknown, 450 feet, more or less; Northerly by land now or formerly of D'Aniello and Palumbo, 460 feet, more or less; Westerly by land now or formerly of Palumbo, 570 feet, more or less; (said parcel is shown on a Plan entitled "Plan of Land in Franklin, Mass., Proposed Zoning Change" dated December 8, 1969 and prepared by Somerville Engineering Services, Inc.)

ARTICLE 56. To see if the Town will vote to amend the Zoning Map of the Town of Franklin in the following manner: To change from Single Family Residential III to Business a certain parcel of land situated on the northerly side of West Cen-

tral Street, bounded and described as follows: Southerly by West Central Street, 400 feet more or less; Easterly by a way which now connects West Central Street with Old West Central Street, 180 feet, more or less; and Northerly by Old West Central Street, 430 feet, more or less, to Pond Street; or take any other action relative thereto.

VOTED that this article be indefinitely postponed.

ARTICLE 57. REPORT AND RECOMMENDATION OF THE TOWN PLANNING BOARD TO THE ANNUAL TOWN MEETING MARCH 24, 1970.

In accordance with the provision of the General Laws, a public hearing was held by the Franklin Planning Board in the Town Hall, Franklin, Massachusetts, on Monday, February 2, 1970, at 9:00 P.M. on the following article:

To see if the Town will vote to modify and change from Single Family Residential III and Rural Residential II to General Residential III-A, the following described parcel of land: starting at the SW corner at a point 150' N of West Central Street; thence N 7° 04' 50" W 222.47' to a point; thence N 6° 41' 10" W 236.15' to a point; thence N 7° 25' 35" W 289.14' to a point; thence N 83° 36' 30" E 160.00' to Hoover Rd.; thence S by Hoover Road 56' to a point; thence NE by MacArthur Road 640' to a point; thence S 73° 36' 10" E 200' to a point; thence S 16° 23' 50" W 150' to a point; thence S 16° 49' 40" W 400.53' to a point; thence S 16° 30' 00" W 229.38' to a point; thence N 75° 53' 40" W 297.60' to a point; thence S 16° 10' 30" W 150.63' to a point; thence N 82° 16' 50" W 141.96' to Hoover Road; thence across Hoover Road 40' to a point; thence S 87° 50' 10" W 152.05' to the point of beginning. (By Petition)

There were six (6) persons present and no objectors.

RECOMMENDATION: That the Town vote to amend the Zoning Map of the Town of Franklin in the following manner: To change from Single Family Residential III and Rural Residential II to General Residential III-A the following described parcel of land: starting at the SW corner at a point 150' N of West Central Street; thence N 7° 04' 50" W 222.47' to a point; thence, N 6° 41' 10" W 236.15' to a point; thence N 7° 26' 35" W 289.14' to a point; thence N 83° 36' 30" E 160.00' to Hoover Rd.; thence S by Hoover Road 56' to a point; thence NE by MacArthur Road 640' to a point; thence S 73° 36' 10" E 200' to a point; thence S 16° 23' 50" W 150' to a point; thence S 16° 49' 40" W 400.53' to a point; thence S 16° 30' 00" W 229.38' to a point; thence N 75° 53' 40" W 297.60' to a point; thence S 16° 10' 30" W 150.63' to a point; thence N 82° 16' 50" W 141.96' to Hoover Road; thence across Hoover Road 40' to a point; thence S 87° 50' 10" W 152.05' to the point of beginning.

FRANKLIN PLANNING BOARD

VOTED BY STANDING VOTE, Yes 129, No 31 that the Town amend the Zoning Map of the Town of Franklin in the following manner: To change from Single Family Residential III and Rural Residential II to General Residential III-A, the

following described parcel of land: starting at the SW corner at a point 150' N of West Central Street; thence N $7^{\circ} 04' 50''$ W 222.47' to a point; thence N $6^{\circ} 41' 10''$ W 236.15' to a point; thence N $7^{\circ} 26' 35''$ W 289.14' to a point; thence N $83^{\circ} 36' 30''$ E 160.00' to Hoover Rd.; thence S by Hoover Road 56' to a point; thence NE by MacArthur Road 640' to a point; thence S $73^{\circ} 36' 10''$ E 200' to a point; thence S $16^{\circ} 23' 50''$ W 150' to a point; thence S $16^{\circ} 49' 40''$ W 400.53' to a point; thence S $16^{\circ} 30' 00''$ W 229.38' to a point; thence N $75^{\circ} 53' 40''$ W 297.60' to a point; thence S $16^{\circ} 10' 30''$ W 150.63' to a point; thence N $82^{\circ} 16' 50''$ W 141.96' to Hoover Road; thence across Hoover Road 40' to a point; thence S $87^{\circ} 50' 10''$ W 152.05' to the point of beginning.

ARTICLE 58. To see if the Town will vote to modify and change from Single Family Residential III to General Residential III-A, the following described parcel of land: Starting at the northeasterly corner 522.58' West of Pond St.; thence S $7^{\circ} 44' 00''$ E 162.05' to White Avenue; thence $7^{\circ} 44' 00''$ E 50.00' across White Avenue; thence N $82^{\circ} 16' 00''$ E 69.17' to a point on White Avenue; thence due South 643.81' to a point; thence S $82^{\circ} 19' 27''$ W 161.24' to a point; thence S $00^{\circ} 34' 46''$ E 752.00' to a point; thence N $53^{\circ} 00' 00''$ W 1480.00' to a point; thence S $58^{\circ} 49' 00''$ W 195.00' to a point; thence S $75^{\circ} 19' 00''$ W 158.00' to a point; thence NW on a curve with a radius of 8190' a distance of 550' to a point; thence N $19^{\circ} 00' 00''$ W 190' to a point; thence S $45^{\circ} 30' 00''$ W 150' to a point; thence NW on a curve with a radius of 8125' a distance of 700' to a point; thence N $1^{\circ} 21' 00''$ W 660' to a point; thence S $85^{\circ} 00' 00''$ E 510' to a point on Mine Brook; thence following Mine Brook S 600' to a point; thence S $71^{\circ} 00' 00''$ E 214.5' to a point; thence N $15^{\circ} 00' 00''$ E 297.0' to a point; thence S $85^{\circ} 36' 00''$ E 940' to a point; thence S $5^{\circ} 17' 00''$ W 414.38' to a point; thence N $80^{\circ} 36' 00''$ E 546.0' to a point; thence N $79^{\circ} 39' 48''$ E 104.40' to a point; thence N $85^{\circ} 42' 24''$ E 90.01' to a point; thence N $79^{\circ} 53' 29''$ E 20.63' to the point of beginning. (By Petition)

VOTED that this article be indefinitely postponed.

ARTICLE 59. REPORT AND RECOMMENDATION OF THE TOWN PLANNING BOARD TO THE ANNUAL TOWN MEETING MARCH 24, 1970.

In accordance with the provision of the General Laws, a public hearing was held by the Franklin Planning Board, in the Town Hall, Franklin, Massachusetts, on Monday, February 2, 1970 at 8:45 P.M., on the following article:

To see if the Town will vote to modify and change from Single Family Residential III and Rural Residential II to General Residential III-A, the following described parcel of land: Starting at a point in the northerly line of the old layout of said West Central Street at the SW corner of the granted premises and land of Tony DePoto at a stone wall; thence N 924.6' on the land of said DePoto in part and land formerly of E. D. Daniels in part to an iron pipe and land of one LaFleur; thence SE 980.0' on land of said LaFleur to a stone post in rocks near a ledge and land of Agnes T. Bright; thence S 998.5' on land of said Bright to the corner of a stone wall at land of one Daily and land of one Faenza; thence W 455.9' on stone wall and land of said Faenza to an iron pipe at the side of said wall; thence S $34^{\circ} 30' 00''$ W 298.0' on land of said Faenza to land deeded to Edwin Ribero, Jr., on

September 23, 1948; thence W 330.0' on land of said Ribero in part, land of Florence H. Enegren in part, and land of Alice P. Jones et al in part to an iron pin at the corner of land of said Jones and the granted premises; thence S 150.0' on land of said Jones to an iron pin on the Old State Layout of West Central St.; thence W on said layout to land of said DePoto to the point of beginning. (By Petition)

There were seven (7) persons present and no objectors.

RECOMMENDATION: That the Town vote to modify and change from Single Family Residential III and Rural Residential II to General Residential III-A, the following described parcel of land: Starting at a point in the northerly line of the old layout of said West Central Street at the SW corner of the granted premises and land of Tony DePoto at a stone wall; thence N 924.6' on the land of said DePoto in part and land formerly of E. D. Daniels in part to an iron pipe and land of one LaFleur; thence SE 980.0' on land of said LaFleur to a stone post in rocks near a ledge and land of Agnes T. Bright; thence S 998.5' on land of said Bright to the corner of a stone wall at land of one Daily and land of one Faenza; thence 455.0' on a stone wall and land of said Faenza to an iron pipe at the side of said wall; thence S 34° 30' 00" W 298.0' on land of said Faenza to land deeded to Edwin Ribero, Jr., on September 23, 1948; thence W 330.0' on land of said Ribero in part, land of Florence H. Enegren in part and land of Alice P. Jones et al in part to an iron pin at the corner of land of said Jones and the granted premises; thence S 150.0' on land of said Jones to an iron pin on the Old State Layout of West Central Street; thence W on said layout to land of said DePoto to the point of beginning.

FRANKLIN PLANNING BOARD

VOTED BY STANDING VOTE, Yes 128, No 16 that the Town modify and change from Single Family Residential III and Rural Residential II to General Residential III-A, the following described parcel of land: Starting at a point in the northerly line of the old layout of said West Central Street at the SW corner of the granted premises and land of Tony DePoto at a stone wall; thence N 924.6' on the land of said DePoto in part and land formerly of E. D. Daniels in part to an iron pipe and land of one LaFleur; thence SE 980.0' on land of said LaFleur to a stone post in rocks near a ledge and land of Agnes T. Bright; thence S 998.5' on land of said Bright to the corner of a stone wall at land of one Daily and land of one Faenza; thence 455.0' on a stone wall and land of said Faenza to an iron pipe at the side of said wall; thence S 34° 30' 00" W 298.0' on land of said Faenza to land deeded to Edwin Ribero, Jr., on September 23, 1948; thence W 330.0' on land of said Ribero in part, land of Florence H. Enegren in part and land of Alice P. Jones et al in part to an iron pin at the corner of land of said Jones and the granted premises; thence S 150.0' on land of said Jones to an iron pin on the Old State Layout of West Central Street; thence W on said layout to land of said DePoto to the point of beginning.

ARTICLE 60. VOTED that the Town add a new paragraph to the Building By-Laws of the Town of Franklin, Section 6-B Paragraph 6, to read: "In all residential buildings; crawl spaces beneath living areas; to have a minimum of one (1) inch

poured cement flooring.”

ARTICLE 61. VOTED that the Town amend the Building Laws of the Town of Franklin, in the following manner: Section 2 (B) STREET LINES AND GRADES. Change the first sentence to read: “Top of foundation wall of any building (that is the regulation distance from street) shall be at least twelve (12) inches higher than the sidewalk or the crown of the road (whichever is higher) and as measured perpendicular from all points of the sidewalk or crown of the road.”

Section 2 (D) - Change the sentence to read: “All garages facing the street, whether attached or cellar garages, shall have their finished floors a minimum of twelve (12) inches higher than the sidewalk or crown of the road, whichever is higher.”

ARTICLE 62. To see if the Town will vote to ADD to the Zoning Laws of the Town of Franklin, under Section V, - SPECIAL REGULATIONS: the following paragraph - M-Blind corner roads; No new roadways may be constructed, or present roadways reconstructed that allow a slope of land greater than 10% above roadway for a distance of 50 feet perpendicularly back from the road's edge; and/or the curvature of the road is greater on any 50 foot section than that of a circle with a 150 foot radius - if an intersection exists, or is to exist within 150 feet of the construction. Selectmen, Planning Board and the Public Works shall each be responsible for bringing this article to the attention of State or Federal authorities which may not be legally bound by the article, but notified far enough in advance, could make changes such as are now present in the dangerous curve in the east side of the Unionville exit on 495 and the new street created across from the former site of the Hillside Nurseries, or do anything relating thereto. (By Franklin Planning Board)

VOTED that this article be indefinitely postponed.

ARTICLE 63. REPORT AND RECOMMENDATION OF THE TOWN PLANNING BOARD TO THE ANNUAL TOWN MEETING MARCH 24, 1970.

In accordance with the provision of the General Laws, a public hearing was held by the Franklin Planning Board, in the Town Hall, Franklin, Massachusetts, on Tuesday, February 3, 1970 at 7:45 P.M., on the following article:

To see if the Town will vote to amend the Zoning Laws of the Town of Franklin, in the following manner: Add Paragraph (e) to Section V - C - 2, (On Temporary Signs.) Free standing signs shall be placed not closer than 10 feet from the Street Property line. Such signs shall be allowed for a period of not more than 30 days, or do anything relating thereto. (By Franklin Planning Board)

There were two (2) persons present and no objectors.

RECOMMENDATION: That the Town vote to amend the Zoning Laws of the Town of Franklin, in the following manner: Add paragraph (e) to Section V - C - 2, (On Temporary Signs.) Free Standing Signs shall be placed not closer than 10 feet from the Street Property Line. Such signs shall be allowed for a period of not more than 30 days.

UNANIMOUSLY VOTED that the Town amend the Zoning Laws of the Town of Franklin, in the following manner: Add paragraph (e) to Section V - C - 2, (On Temporary Signs.) Free Standing Signs shall be placed not closer than 10 feet from the Street Property Line. Such signs shall be allowed for a period of not more than 30 days.

ARTICLE 64. REPORT AND RECOMMENDATION OF THE TOWN PLANNING BOARD TO THE ANNUAL TOWN MEETING MARCH 24, 1970.

In accordance with the provision of the General Laws, a public hearing was held by the Franklin Planning Board in the Town Hall, Franklin, Massachusetts, Monday, December 8, 1969, at 8:00 P.M. on the following article:

To see if the Town will vote to amend the Zoning Laws of the Town of Franklin, in the following manner: Section III - C - 18b. Change apartment houses to apartment house, or do anything relating thereto. NOTE: To correct typographical error in 1962 printing (By Franklin Planning Board)

There were seven (7) persons present and no objectors.

RECOMMENDATION: That the Town vote to amend the Zoning Laws of the Town of Franklin, in the following manner: Section III - C - 18b. Change apartment houses to apartment house.

FRANKLIN PLANNING BOARD

UNANIMOUSLY VOTED that the Town amend the Zoning Laws of the Town of Franklin, in the following manner: Section III - C - 18b. Change apartment houses to apartment house.

ARTICLE 65. REPORT AND RECOMMENDATION OF THE TOWN PLANNING BOARD TO THE ANNUAL TOWN MEETING MARCH 24, 1970.

In accordance with the provision of the General Laws, a public hearing was held by the Franklin Planning Board, in the Town Hall, Franklin, Massachusetts, on Monday, November 17, 1969 at 8:00 P.M., on the following article:

To see if the Town will vote to amend the zoning laws of the Town of Franklin in the following manner: Add to Section III, paragraph H - 1, the following: e. In an Industrial District or Industrial uses in a Business District or where a lot used for a purpose not permitted in any Residential Districts abuts or extends into a Residential District, or abuts another lot which has frontage only in such district, by less than 75 feet, shall be provided a "Greenbelt" along the particular portions of the lot which are next to such Districts or abutting lot. Such "Greenbelt" shall consist of an area of not less than 15 ft. in width containing a dense planting of trees and shrubs to provide within such area a natural barrier between the lot and adjacent premises having an initial height of three feet and an effective height of not less than seven feet in 5 years. Such will not only be operative when the Industrial establishment is within 500 ft. of a residentially used structure, or do anything relating thereto.

FRANKLIN PLANNING BOARD

There were four (4) persons present and no objectors.

RECOMMENDATION: That the Town amend and approve the article as follows: Add to Section III, paragraph H - 1, the following: e. In an Industrial District or Industrial uses in a Business District, where a lot used for a purpose not permitted in any residential districts, abuts or extends into a residential district, or abuts another lot which has frontage only in such district, by less than 75 ft., shall be provided a "Greenbelt" along the particular portions of the lot which are next to such districts or abutting lot. Such "Greenbelt" shall consist of an area of not less than 15 ft. in width containing a dense planting of trees and shrubs to provide within such area a natural barrier between the lot and adjacent premises having an initial height of three feet and an effective height of not less than seven feet within five years. Such will only be operative when the Industrial establishment is within 500 ft. of a residentially used structure.

UNANIMOUSLY VOTED that the Town amend and approve the article as follows: Add to Section III, paragraph H - 1, the following: e. In an Industrial District or Industrial uses in a Business District, where a lot used for a purpose not permitted in any residential districts, abuts or extends into a residential district, or abuts another lot which has frontage only in such district, by less than 75 ft., shall be provided a "Greenbelt" along the particular portions of the lot which are next to such districts or abutting lot. Such "Greenbelt" shall consist of an area of not less than 15 ft. in width containing a dense planting of trees and shrubs to provide within such area a natural barrier between the lot and adjacent premises having an initial height of three feet and an effective height of not less than seven feet within five years. Such will only be operative when the Industrial establishment is within 500 ft. of a residentially used structure.

ARTICLE 66. REPORT AND RECOMMENDATION OF THE TOWN PLANNING BOARD TO THE ANNUAL TOWN MEETING MARCH 24, 1970

In accordance with the provision of the General Laws, a public hearing was held by the Franklin Planning Board, in the Town Hall, Franklin, Massachusetts, on Tuesday, February 3, 1970, at 7:50 P.M., on the following article:

FLOOD PLAIN ZONING: All residential areas in the Dix Brook, Miscoe Brook and Mine Brook region covered by the Flood Plain Map of the Town of Franklin dated June 22, 1966 and adopted at the Annual Town Meeting April 1967, which did not have minimum zoning of 40,000 square feet or more shall be zoned Rural Residential I. (Note: Most of this area is now already Rural Residential I, the remaining is all Rural Residential II.) or do anything relating thereto. (By Planning Board)

There were seven (7) persons present and two (2) objectors.

RECOMMENDATION: That the Town vote to amend the Zoning Map of the Town of Franklin in the following manner: **FLOOD PLAIN ZONING:** All residential areas in the Dix Brook, Miscoe Brook and Mine Brook region covered by the Flood Plain Map of the Town of Franklin dated June 22, 1966 and adopted at the annual Town Meeting April 1967, which did not have a minimum zoning of 40,000 square

feet or more shall be zoned Rural Residential I. (Note: Most of this area is now already Rural Residential I, the remaining is all Rural Residential II.)

UNANIMOUSLY VOTED that the Town amend the Zoning Map of the Town of Franklin in the following manner: FLOOD PLAIN ZONING: All residential areas in the Dix Brook, Miscoe Brook and Mine Brook region covered by the Flood Plain Map of the Town of Franklin dated June 22, 1966 and adopted at the annual Town Meeting April 1967, which did not have minimum zoning of 40,000 square feet or more shall be zoned Rural Residential I. (Note: Most of this area is now already Rural Residential I, the remaining is all Rural Residential II.)

ARTICLE 67. To see if the Town will vote to add to the Zoning Laws of the Town of Franklin, the following requirements: All Pond area (see definition of Pond, Page 18 of Zoning By-Laws, 1968 edition) and land within 50 horizontal feet of the normal high water bank of a Pond shall be zoned Rural Residential I. (By Planning Board)

VOTED that this article be indefinitely postponed.

ARTICLE 68. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of Three Thousand Eight Hundred Dollars for the purpose of purchasing and equipping a Utility Truck for the Water Department, said sum to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Public Works)

VOTED that this article be indefinitely postponed.

ARTICLE 69. UNANIMOUSLY VOTED that the Town raise and appropriate the sum of \$8,400.00 to extend an 8 inch water main on Washington Street a distance of approximately 856 linear feet. Said sum to be expended under the direction of the Board of Public Works.

ARTICLE 70. UNANIMOUSLY VOTED that the Town raise and appropriate the sum of \$6,000.00 to renew 2 Stone Culverts at Elm Street, said sum to be expended under the direction of the Board of Public Works.

ARTICLE 71. To see if the Town will vote to amend the Zoning map of the Town of Franklin by extending the existing Commercial II Zone on the Southerly side of East Central Street as follows: Beginning at a point on the Southerly side of East Central Street at its intersection with the Westerly side of Lewis Street, said point being the western limit of the existing Commercial II Zone; thence bounded Northerly by East Central Street, Westerly by Hill Avenue 200 feet; Southerly by a line parallel with and a distance of 200 feet Southerly from the Southerly line of East Central Street and Easterly Lewis Street 200 feet as shown on a plan in the Planning Board files, or do anything relating thereto. (By Petition)

VOTED that this article be indefinitely postponed.

Meeting adjourned 9:15 P. M.

A true record, Attest.

George W. Dana, Town Clerk

WARRANT FOR SPECIAL TOWN MEETING
MARCH 31, 1970
THE COMMONWEALTH OF MASSACHUSETTS

Norfolk , ss.

To either of the Constables of the Town of Franklin in the County of
Norfolk

Greeting:

You are hereby required in the name of the Commonwealth of Massachusetts to notify and warn the qualified voters of the said Town of Franklin to assemble at the Franklin High School on Tuesday, the Thirty-first day of March A.D. 1970, it being the Fifth Tuesday of March, at seven-thirty o'clock in the evening, then and there to act on the following articles, viz:

ARTICLE 1. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to reimburse Chief Arthur C. Pellegrini of the Police Department of the Town of Franklin for salary lost during the period of his suspension from July 2, 1968 through February 21, 1970 pursuant to the decision of the Supreme Judicial Court of the Commonwealth of Massachusetts which reversed the prior decision of the Worcester County Superior Court, and in accordance with the General Laws and Civil Service regulations of said Commonwealth of Massachusetts. (By Board of Selectmen)

ARTICLE 2. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to reimburse Sergeant Dino B. Geromini of the Police Department of the Town of Franklin for salary lost during the period of his suspension from July 2, 1968 through February 21, 1970 pursuant to the decision of the Supreme Judicial Court of the Commonwealth of Massachusetts which reversed the prior decision of the Worcester County Superior Court, and in accordance with the General Laws and Civil Service regulations of said Commonwealth of Massachusetts. (By Board of Selectmen)

And you are directed to serve this warrant by posting attested copies thereof seven days at least before the time of meeting, as directed by vote of the Town.

Hereof fail not and make due return of this warrant with your doings thereon, at the time and place of meeting.

Given under our hands this Twenty-fourth day of March A.D. 1970.

Vincent J. DeBaggis
John J. McCahill
Albert R. Brunelli

BOARD OF SELECTMEN

March 24, 1970

RETURN OF WARRANT

By virtue of the within warrant, I have notified and warned the inhabitants of the Town of Franklin herein described to assemble in the Franklin High School on Tuesday, the Thirty-first day of March at seven-thirty o'clock in the evening for the purpose within mentioned, by posting attested copies of the within warrant in five places opened to the public, in compliance with Section Two of Article One of the By-Laws of the Town of Franklin.

Freeman B. Knowlton
Constable of Franklin

Date March 24, 1970

PROCEEDINGS OF THE SPECIAL TOWN MEETING
MARCH 31, 1970

The meeting was called to order by the Moderator, Paul A. Cataldo at 7:30 P.M. at the Franklin High School, a quorum being present and voting.

Warrant and return of Warrant was read by Town Clerk, George W. Dana.

ARTICLE 1. VOTED that this article be indefinitely postponed.

ARTICLE 2. VOTED that this article be indefinitely postponed.

Meeting adjourned at 7:45 P.M.

George W. Dana, Town Clerk

George W. Dana, Town Clerk

WARRANT FOR SPECIAL TOWN MEETING
DECEMBER 22, 1970
THE COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To either of the Constables of the Town of Franklin in the County of Norfolk

Greeting:

You are hereby required in the name of the Commonwealth of Massachusetts to notify and warn the qualified voters of the said Town of Franklin to assemble at the Franklin High School on Tuesday, the Twenty-second day of December A.D. 1970, it being the Fourth Tuesday of December at eight o'clock in the evening, then and there to act on the following articles, viz:

ARTICLE 1. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to add to the Snow Removal Account to cover expenditures for the remainder of 1970, or do anything relating thereto. (By Board of Public Works)

ARTICLE 2. To see if the Town will vote to raise and appropriate, or transfer from available funds, an amount of money to cover shortages in the following categories of the 1970 school budget, or do anything relating thereto:

INSTRUCTION

Salaries

OPERATION AND MAINTENANCE

Salaries

(By Board of Selectmen)

And you are directed to serve this warrant by posting attested copies thereof seven days at least before the time of meeting, as directed by vote of the Town.

Hereof fail not and make due return of this warrant with your doings thereon, at the time and place of meeting.

Given under our hands this Fourteenth day of December A.D. 1970

Vincent J. DeBaggis
John J. McCahill
Albert R. Brunelli

BOARD OF SELECTMEN

December 15, 1970

RETURN OF WARRANT

By virtue of the within warrant, I have notified and warned the inhabitants of the Town of Franklin herein described to assemble in the Franklin High School on Tuesday, the Twenty-second day of December at eight o'clock in the evening for the purpose within mentioned, by posting attested copies of the within warrant in five places opened to the public, in compliance with Section Two of Article One of the By-Laws of the Town of Franklin.

Freeman B. Knowlton

Constable of Franklin

Date December 15, 1970

PROCEEDINGS OF THE SPECIAL TOWN MEETING

DECEMBER 22, 1970

The meeting was called to order at 8:00 P.M. at the Franklin High School by Moderator Paul A. Cataldo. The Board of Registrars reported 154 voters present.

Warrant and return of Warrant was read by Town Clerk, George W. Dana.

ARTICLE 1. UNANIMOUSLY VOTED to transfer the sum of \$25,000.00 from the Excess & Deficiency Account to the Snow and Ice Removal Account to cover expenditures for the remainder of 1970.

ARTICLE 2. UNANIMOUSLY VOTED to transfer the sum of \$16,000.00 to the School Instruction Salaries Account from the following accounts:

From the School Budget:

1.	Administrative Salaries	\$ 785.00
2.	Out of State Travel	737.00
3.	Other School Services, Salaries	4,090.00
4.	Fixed Charges	950.00
5.	Programs with other Districts	1,733.00

and From the Excess & Deficiency Account 7,705.00

And further to transfer \$5,000.00 from the Excess & Deficiency Account to the Operation & Maintenance Salary Account of the School Budget.

Meeting adjourned at 8:29 P.M.

George W. Dana, Town Clerk

REPORT OF THE BOARD OF PUBLIC WORKS

To the Honorable Board of Selectmen:

Gentlemen:

The Board of Public Works met and reorganized on March 11, 1970. Kenneth W. White was elected Board Chairman for the ensuing year by members Norman C. Ristaino and William D. O'Neil.

Big news for the year continues to center around our sewerage disposal problems and Director Felix Carlino's struggle to maintain a system of repair to the old worn out facility and at the same time meet minimum state standards. This situation has resulted from the rapid growth that has taken place in the Town during the last two decades, coupled with functional difficulties and new standards of purity set by the Clean Waters Act of 1967.

At the Annual Town Meeting, funds were voted for the hiring of Consultant Engineers for the development of a Comprehensive Sewerage and Sewage Treatment report for the Town. The Board immediately hired the firm of Howard, Needles, Tammen and Bergendoff to prepare this report made mandatory by State and Federal Authorities.

The results of the Comprehensive Study are expected to be available to the Board early in 1971.

Of the several Articles coming before the voters at the Annual Town Meeting, two of them stand out as being unusually important.

One of these would authorize the Moderator to appoint a five member committee to study the needs for adequate quarters for the Department of Public Works personnel and equipment and the other would authorize our Board to start the first phase of a three phase program to renew about two thousand (2000) feet of water pipe from Wells No. 1 and No. 2 to improve a rust condition.

The Board believes that a Central Garage is very important to an efficient equipment management program and that constant exposure to the weather of thousands of dollars worth of equipment not only deteriorates the machinery faster, but adds many costly man hours.

Those citizens that are being constantly plagued by rusty water have become victims of an intolerable situation that must be cured. We believe that only the renewal of the old pipe that goes to the standpipe on Hillside Road will remedy the situation with any degree of permanence.

The following is a brief summary of the activities and accomplishments of the Department of Public Works during the past year.

HIGHWAY DIVISION

Division Head — Anthony F. Mucciarone

This division is the largest division in the Department of Public Works, and embraces the construction and maintenance of sidewalks, roadways, drainage systems, culverts, bridges, structures and signs including the painting of white lines, installation of traffic and street signs, and plowing of snow, removal of snow from the Business District and sanding and salting for Ice Control of 145 plus miles of roadway also come under the jurisdiction of this division.

The inspection of the installation of the above facilities in developments and subdivisions also are made by this division. This division is still undermanned due to the growth of the Town and should be increased by at least six (6) men.

The following is an outline of the work performed by this division during year of 1970

SEAL COATING — ROAD SURFACING

Hilltop Road	350 ft.
Rolling Ridge Road	1,752 ft.
Dean Street	2,075 ft.
Dean Avenue	1,409 ft.
Emmons Street	1,345 ft.
Ray Street	265 ft.
Maple Street	9,575 ft.
Forest Street	7,218 ft.
Cottage Street	1,483 ft.
Florence Street	1,446 ft.

PENETRATING ROAD SURFACING

Spring Street	1,495 ft.
Pond Street	875 ft.

TYPE I ROAD SURFACING

Pond Street - Base Coarse	2,100 ft.
Pond Street	2,600 ft.
Raymond Street	644 ft.
Beaver Street	810 ft.
Oak Street	311 ft.
Lincoln Street	1,587 ft.

TYPE I BERMS

Milliken Avenue	250 ft.
Pleasant Street	260 ft.

WATERWAYS AND GUTTERS

143 Tons Type I

NEW CONSTRUCTION – POND STREET

Excavated and Graveled	875 ft.
Stone Walls	285 ft.
Cement Walls	420 ft.

DRAINAGE PROJECTS

Pond Street

200' 36" R.C. Pipe

Populatic Street

30' 12" Alum. Corrugated Pipe

2 Headwalls

Daniels Street

20' 12" Alum. Corrugated Pipe

2 Headwalls

Plain Street

30' 12" Alum. Corrugated Pipe

2 Headwalls

Elm Street

12' 12" C. C. Pipe

Mount Street

141' 15" Alum. Corrugated Pipe

1 Catch Basin

1 Curb Inlet

Elm Street

104' 54" Corrugated Pipe

2 Headwalls

Washington Street - Chapter 90 Maintenance 1970

66' 8' x 6' Arch Culvert

Milliken Avenue

Repair Catch Basin

Regent Circle

Repair Manhole

Summer Street
Repair Catch Basin

Daniels Street
Repair Headwall

Beaver Street
Raised three (3) Manholes

Pond Street
Raised sixteen (16) Manholes
Raised fourteen (14) Catch Basins
Installed fourteen (14) Curb Inlets

OTHER WORK PERFORMED DURING 1970

1. Mixed 1,340 tons of Patch
2. Installed 2,119 tons of Road Patch for roadways and cross trenches
3. Flushed and cleaned 1,115 ft. of Drain Pipe
4. Cleaned 384 Catch Basins
5. Swept 1,878 miles of roadway
6. Painted White Lines, Crosswalks and Traffic Lines in parking areas
7. Installed 96 Street, Traffic and Parking Signs in various locations
8. Installed 68 New Sign Posts in various locations
9. Pick-up rubbish (street containers) in business district, police station, fire station and Town Hall, three (3) times weekly
10. Installed, removed and stored Christmas Crib during holiday season
11. Installed voting booths, and removed and stored same
12. Paint and repair snow plowing equipment during fall season
13. Maintain, grade, install gravel on four (4) miles of dirt roadway five (5) times during year
14. Installing flags in business district and removing and storing same twenty-one (21) times during year
15. Cleaning, painting, greasing and maintaining Town equipment during year
16. Patching holes in roadways
17. Cutting brush on various streets
18. Loaming and seeding of lawns from damage of snow plowing
19. Salting and Sanding thirty-eight (38) times due to Ice Conditions
20. Plowing snow for eleven (11) storms during winter season
21. Picking up snow in business district for seven (7) major storms
22. Plow and Sand all School and Parking lots
23. Answered 678 trouble calls
24. Used sign machine to make new traffic and street signs
25. Replaced 1,233 ft. of cement sidewalks on various streets
26. Plowed fifteen (15) miles of sidewalks for eight (8) major storms

INSPECTION – DEVELOPMENTS

1. Inspection of roadway construction, installation of drainage system including catch basins, manholes, headwalls, etc.
2. Roadway surfacing, installation of curbings, sidewalks, street signs and highway bounds.

WATER AND SEWER DIVISIONS

Division Head – Maurice P. Gagnon

The following work was performed by the Water and Sewer Departments during the year 1970:

1. Flushed all Hydrants (675) in the entire system
2. Repaired (67) leaky water services
3. Installed (35) new water services
4. Renewed (18) old water services
5. Repaired (22) old Hydrants
6. Installed (9) new Hydrants
7. Installed (9) new 6" Gate Valves
8. Thawed out (10) Frozen Water Services
9. Inspected all Water Main installations in the developments
10. Supervised Hydrostatic Tests in developments
11. Maintaining all pumping stations and equipment
12. Inspected check valves (G.A.F. Co.) four (4) times a year
13. Maintaining Fluoride Feeding equipment in three (3) stations
14. Testing water samples daily (for fluoride count)

STATISTICAL INFORMATION

1. Total Water Pumped	582,405,093 gals.
2. Maximum Daily Consumption	3,500,000 gals.
3. Maximum Day of Pumping 7-25-70	2,500,000 gals.
4. Maximum Storage Capacity	4,500,000 gals.
5. Total Yearly Rainfall	39.62 inches
6. Maximum Monthly Rainfall, November	5.81 inches
7. Minimum Monthly rainfall, January	.74 inches

METER DIVISION – WORKING FOREMAN – MATTHEW FONTAINE

1. Read monthly meters twelve (12) times a year
2. Read all meters twice a year over (4100)
3. Installed (850) Outside Remote Readers
4. Repaired, Tested and Replaced (68) stopped meters
5. Repaired (13) frozen water meters
6. Turned water off (32) times
7. Turned water on (21) times

8. Installed (2) 6" water meters
9. Assisting in snow plowing, snow removal for all snow storms
10. Repaired thirteen (13) Main Line water breaks throughout Town streets

SEWER DIVISION

Plant Operator — Joseph Buccchanio

1. Maintaining all Sewer Pumping Stations, Milliken Avenue, East Central Street, Lewis Street and Main Plant (off Pond Street)
2. Dumped sludge tanks into beds four (4) times during year
3. Cleaned sludge beds twice (2) this year
4. Maintaining odor control equipment
5. Unplugging twenty-nine (29) house sewer services
6. Unplugged nineteen (19) sewer mains
7. Total yearly treated sewage for 1970 — 280,746,000 gals.
8. Reconstructed and rebuilt Clarifier (paint, etc.)
9. Poured foundations for new Chlorine Feed Operations
10. Installed a new 12" Gate Valve for sludge tank
11. Graded land in filter bed area
12. Spread lime on sludge beds four times during year
13. Maximum monthly treated sewage — January 1970, 41,000,000 gals.
14. Minimum monthly treated sewage - July 1970, 25,000,000 gals.
15. Costly repairs were made on existing sludge pump (This pump should be replaced)
16. Completed sewer main tie-in from Pond Street to Oak Street Extension and George Road
17. By-passed for 90 days — 120,000,000 gals. (due to breakdown)

PARK AND TREE DIVISION

Division Head — Edward L. Revell

Work performed during the year 1970 by the Park and Tree Department is as follows:

A. CITY MILLS CEMETERY

1. Entire Cemetery was raked and debris picked up
2. Grave Stones were put back in place
3. Some areas were loamed and seeded
4. Walks were edged and grave stones trimmed
5. Trees and shrubs were trimmed
6. Cemetery mowed approximately every two weeks

B. COMMON MAINTENANCE

1. Raked entire area and picked up all debris

2. Fertilizing and scratching and edging beds in Spring and early Fall
3. Loamed and seeded low areas
4. Mowing grass, trimming grass around beds, trees, and walk ways weekly
5. Trimmed shrubs when needed
6. Planted trees in Common

C. BRUSH CONTROL

1. Brush Control is proving effective which uncontrolled, involves expensive brush cutting operations
2. Franklin is one of the best Towns for Brush Control in Norfolk County
3. Many miles of road side were treated with brush killer with the Town Sprayer to eliminate growth of roadside brush

D. FLETCHER FIELD

1. Repairing everything ruined by vandalism
2. Raking debris from Field and hauling to dump
3. Turning on water, getting drinking fountains, toilets ready for season
4. Loaming and seeding low spots on Field
5. Mowing and trimming entire Field weekly during season
6. Setting up swings and removing them at the end of season
7. Spraying weed and brush on and around outside of Field
8. Maintaining and policing grounds, fieldhouses, dugouts and toilets during season
9. Putting up and taking down Little League Fence each season
10. Painting and chalking foul lines and playing lines on all Fields and Courts
11. Maintaining and cleaning Tennis Courts
12. Repairing leaks in water lines and bubblers during season
13. Keeping equipment in working order
14. Replacing faucets and drinking fountains
15. Filling, raking, fine grading and rolling the entire baseball and softball diamonds each game
16. Lining football field each game
17. Putting up goal posts and lining field for soccer games
18. Storing recreation and athletic equipment, turning off water and power, draining toilets and water lines at the end of season
19. Painting and repairing tables and equipment

E. TRIMMING SHADE TREES

1. Most work has been on emergency basis to protect pedestrians, homes, cars and other property
2. Snow and windstorms cause much damage to trees and causes emergency work during and after storms
3. Overhanging limbs were cut on several streets
4. It is recommended that more money be provided to take care of this situation that is becoming more and more dangerous

F. NEW SHADE TREES

1. New Shade Trees are classified as a Town beautification project made possible only by the proper installation of New Shade Trees
2. Due to the number of dead trees taken down each year, this is considered a worthwhile project to replace them
3. A total of eighty-six (86) New Shade Trees were planted at various locations

G. DECAYED TREES

1. We have removed ninety-two (92) decayed trees and hauled them to the Dump
2. There are butts to come down while frost is in the ground to prevent damage to lawns, streets, etc.
3. More money is needed for this worthwhile project
4. Dead trees are a real problem due to the drought over the past few years, and the salt being used on the highways during the winter months

H. SWIMMING POOL

1. All piping was replaced due to vandalism
2. Entire Pool area was dug out, and new sand hauled in and spread
3. Pool area was treated for weed control
4. Painted all exposed piping
5. Planks were put in spillway
6. Replaced all electrical fixtures and wires that were ripped from walls and ceiling
7. Replaced door locks that were broken
8. Repaired outside benches
9. Repaired toilet partitions
10. Replaced steel window guards that were torn from building
11. Repaired electrical pump that was broken
12. Installed telephone and had power turned on
13. Repaired drinking fountain several times
14. Installed chlorinating unit with electric motor and plastic hose
15. Recharged chlorinating unit daily
16. Installing diving board and taking it down at end of season
17. Grading road to pool, and cutting brush
18. Mowing grass around Pool area
19. Unplugging clogged toilets
20. Picking up debris daily
21. Taking care of daily vandalism
22. Turning off water, telephone, power and storing emergency kit and cot at end of season
23. Taking planks out of spillway
24. Pulling electric motor and chlorinating unit and storing for winter
25. Locking building for the winter

The work load of the Park and Tree Division is increasing each year, due to the increasing population of the Town. The most important improvements to be considered are equipment and men.

The Board of Public Works wishes to take this opportunity to thank Director Felix Carlino, Assistant Director Anthony F. Mucciarone and all Town Officials, Members of the Department, all Citizens of the Town, Service Clubs and Public Utility Organizations for their loyal support and continued cooperation.

Respectfully submitted,

Kenneth W. White, Chairman
William D. O'Neil
Norman C. Ristaino
BOARD OF PUBLIC WORKS

REPORT OF FRANKLIN POLICE DEPARTMENT

To the Honorable Board of Selectmen:

It is my duty to submit the following report on the Police Department for the year 1970.

In 1970 we had numerous arrests which are contained in the Police Department files. We also performed the following duties:

1970 Summation of Activities

Complaints Answered	5,382
Disturbances Investigated	3,622
Assistance Calls	3,370
Properties Checked	33,490
Open Doors & Windows	451
Summonses Served, Local	332
Summonses Served, For Other Departments	156
Aid to Ill or Injured	582
Court Cases	282
Breaking & Entering and Larceny	82
Larceny	281
Vandalism	440
Juvenile Investigations	253
Stolen Cars Reported	28
Stolen Cars Recovered	49
Missing Persons Reported	68
Missing Persons Recovered	54
Bank or Merchants Escorts	1,375
Bank or Burglar Alarms Answered	253
Committals to Mental Hospitals	33
Dog Calls to Police Department	463
Prowlers	76
Funerals Escorted	97
Dean Jr. College Calls	34
Fire Alarms Answered: Box	62
Fire Alarms Answered: Still	43
D.P.W. Calls - Road	112
Snow Plows	36
Sanders	34
Water & Tree	22
Sudden Deaths Investigated	14
Messages Delivered	310
Lights Reported Out	115
Lost & Found Articles	128

Arrest Reports

Drunkenness	106
Committals	16
Assault & Battery	20
Robbery	19
Warrants Served	20
Capias	3

Jail Sentences	10
Suspended Sentences	35
Probation	24
Restitution Made	5
Held for Grand Jury	20
Filed	15
Defaulted	17
Released to Armed Forces	2

Personnel

Our Department presently consists of 23 men: 1 Chief, 1 Lieutenant, 4 Sergeants, 17 Patrolmen.

Lt. R. D'Amico heads the Detective Division and one patrolman is assigned to him as a Detective.

I assigned Patrolman Benedetto to work on all juvenile problems. His work has been outstanding. I recommend that a permanent position with the title of Juvenile Officer be set up, and that at least two years of college be part of the educational requirements for this very vital position.

I also assigned Acting Sgt. John Reynolds as Safety Officer and he did an exceptional job, which I am sure many of you heard about from your children.

For 1971, I have recommended the appointment of eight additional patrolmen and one full-time policewoman. Two of the eight men will be assigned to the Detective Division which is grossly undermanned. Six men will be assigned to the night shifts where they are needed.

I recommend that civilians be hired for desk duty. They would replace patrolmen at an annual saving of \$16,000.00. If this plan is adopted, I would only need four new patrolmen instead of eight. With the addition of 4 desk men, 4 patrolmen and one policewoman, it would increase the number of personnel in our department to 32. The F.B.I. recommends one police officer for every 500 people. Using this ratio with our population of over 17,000 and 1,000 students at Dean Jr. College, we would still be 4 or 5 men short of the national average.

I recommend that each man be equipped with an acid resisting jump suit, high boots and a riot helmet. The cost is \$125.00 per man. I also recommend the sum of \$535.00 for the purchase of six gas grenades, one gas gun, four gas masks, 3 riot guns. I also recommend the purchase of ten (10) new revolvers.

The pistol range should be completed. Automatic target setters should be installed, shooting booths constructed, and each booth ventilated.

Motorized Equipment

I recommend the purchase of two new cruisers, one marked and one unmarked, and also the purchase of a used paddy wagon.

Building

I recommend that all windows in the station be meshed over, electric locks placed on each door and a glass brick partition erected in the lobby.

I thank the Board of Selectmen for their attitude and cooperation during the past year. I also extend my thanks to the men in the Police Department for their efforts in making Franklin a nicer place to live.

To the Auxiliary Police who always are willing to assist in any kind of problems that might arise, my grateful thanks.

Arthur Pellegri
Chief of Police

REPORT OF THE FRANKLIN AUXILIARY POLICE

To the Honorable Board of Selectmen:

I submit this report of the activities of the Auxiliary Police for the year 1970.

We have finished another year of holding our meetings and continuing our training. This is a never ending process as the changes in law and environment change constantly and rapidly. We try to keep abreast of all these changes and with the Chief of Police and his men cooperating with us as teachers, we have excellent training and an above average working knowledge of the law.

We were very happy to find ourselves under the charge of our original Chief Arthur Pellegrini. Chief Pellegrini reorganized the Unit in 1954 and the Town will never fully know the time, efforts and interest he has given to making this the best Unit of Auxiliary Police known. With this we have been able to help many more Units in the State. We have been called countless times to speak to other groups and the Chief has attended some of these to help also.

We appreciate the continued support of the People of the Town of Franklin. We hope that it is clearly understood that your financial support goes only for equipment and supplies and that the men give their time and duty with no monetary return.

May we thank the Board of Selectmen, Chief Arthur Pellegrini, The Regulars, the Fire Dept. for the use of their hall and the People of Franklin for your help and cooperation.

To the men and their families my heartfelt thanks.

Respectfully submitted,

George H. Ellis
Chief Auxiliary Police

REPORT OF THE SAFETY OFFICER

To: Arthur C. Pellegrini, Chief of Police

Since assuming the Safety Education Program in April of this year upon the retirement of Walter F. Carr, the following is a full report of my activities.

On April 6 the Safety Education of the Public and Parochial Schools as follows:

Class Room Lectures	54
Kindergarten Visits	16
School Bus Talks (Drivers)	3
Safety Pamphlets issued	2501
Safety Calendars	200
Ice Checks (Daily)	In Season
School Bus Checks	45

Police Station	
Girl Scouts	5
Brownies	2
Classes Escorted (Kindergarten)	12

Safety Talks Special	
Girl Scout Meetings	7
Brownies	3
Boy Scouts	3
Cub Scouts	2
Knights of Columbus (Narcotics)	1

I wish to thank the staff of all schools for the excellent cooperation I received in my Safety Program.

I also wish to thank the D.P.W. for their cooperation on several occasions dealing with parking near Ice Ponds.

Due to my being injured and hospitalized, I was unable to complete my Safety Program plans for November or December. I will include the planned schedule for these two months in my January and February schedule.

I have attended all but two of the monthly Safety Meetings held at the different Cities and Towns, since April. I have learned much from the discussions held at these meetings. Many ideas from other Departments will be of value in the 1971 Safety Program.

Thru the expense account allowed the Safety Program, I have purchased four films dealing with Safety for children in walking, playing, bicycling and hazards of playing in streets. I would like to purchase at least two more films this year, and

in this way have permanent material for the Safety Program in the Kindergarten and lower grades.

I would also like to thank the Knights of Columbus for their interest in the Safety Program. It was thru the members that I was able to acquire the film "The Talking Car" at no expense to this department.

Respectfully submitted,

John F. Reynolds
Safety Officer

REPORT OF THE CIVIL DEFENSE DIRECTOR

To the Honorable Board of Selectmen
Town Hall
Franklin, Mass.

Gentlemen:

The year of 1970 was an active session for the Franklin Civil Defense. Radio communications were made each month with Sector 3B Headquarters. Also a new warning system was put in action called checkerboard. Meetings this year were held in Framingham, Auburn, Hopedale and Franklin.

Due to the work in 1970, done by Franklin Civil Defense, Surplus Material dates will be open to the Town departments in 1971. This means they may go as many times as they want, where in the past it was only once every two or four months. Other programs are being worked on which we hope will be finished in the year of 1971.

I wish to thank the Selectmen, Town Officials, and other members of Civil Defense for their cooperation to make Franklin Civil Defense one of the best.

Respectfully submitted,

Richard Lamphere
Director of Civil Defense

REPORT OF THE FIRE DEPARTMENT – 1970

To the Honorable Board of Selectmen:

The Fire Department responded to 77 box alarms during the year 1970. In addition, we had a total of 17 still alarms, 2 resuscitator calls, 233 bell alarms, 1 mutual aid call to Norfolk, 74 loads of water to dry wells, and 88 investigations.

Our total runs for fires, forest fires and ambulance calls for the year total 1,346 calls.

The Building Survey Committee recommended additions to our present station to alleviate the crowded conditions that exist. These additions are under construction at the present time. We are also completing the installation of a new and modern fire alarm system, replacing the obsolete system that has been in use since the present fire station was built.

During the year, we lost the services of one of our permanent men, a veteran of many years, due to a disability. I am recommending that additional permanent men be obtained in order that the department may be adequately manned at all times.

Our 1952 Pick-up truck which is used by the Fire Alarm Division, and also used to move hospital beds, carry hose and many other jobs that would be impracticable to do using our large equipment, has now outlived its usefulness and I recommend that a new pick-up truck be purchased this year. I also recommend that the station wagon used by the chief be traded this year.

I wish to thank the Board of Selectmen, town officials and the members of the Fire Department for their splendid cooperation in my efforts to serve the citizens of the Town of Franklin.

For the year 1971, I recommend the sum of \$172,616.50.

Respectfully submitted,

Paul H. Beaudette
Chief

REPORT OF THE FOREST FIRE DEPARTMENT – 1970

To the Honorable Board of Selectmen:

During the year 1970, the Forest Fire Department responded to a total of 146 woods, grass and brush fires.

The majority of the calls for grass fires were due to the careless use of incinerators. We were very fortunate this year that our woods fires were of a minor nature.

A new forest fire truck to replace our 1939 truck was ordered this year. Delivery is expected in the early part of 1971. With this new truck, our forest fire equipment will be in good condition.

For the year 1971, I recommend the sum of \$5,500.00.

Respectfully submitted,

Paul H. Beaudette
Chief

REPORT OF THE BOARD OF APPEALS

To the Honorable Board of Selectmen:

The following hearings were held by the Board of Appeals for the year 1970:

January 14

Anthony Pace seeking a side line variance to erect a carport at 3 Laurel Court. DENIED FOR FAILURE TO APPEAR.

March 10

Mobil Oil seeking whatever action is necessary to permit the use of a high rise sign in a business zone whose square frontage exceeds the zoning requirements and special permits governing thereto at location at Route 140 and '495 in Franklin. DENIED.

March 17

BRRC Realty Trust seeking whatever action is necessary to permit the use of premises at 53 West Central Street for any and all uses permitted in Commercial I, including density requirements regulating the Commercial I District in Sec. IV-B of the by-laws. Hearing adjourned to March 23, due to lack of board members.

March 23

BRRC Realty Trust hearing held. GRANTED.

March 25

Robert Ficco seeking whatever action is necessary to allow the building located at 5 East Street to be used as a business or professional office. GRANTED.

April 7

Paul McKenna seeking whatever action is necessary to erect a roof over an existing patio at 225 Crossfield Road. GRANTED.

April 7

Waldor Realty seeking whatever action is necessary to create two additional lots on Country Club Drive within the existing approved subdivision known as Country Club Estates. GRANTED WITH RESTRICTIONS.

April 14

Roland E. Dunn to erect a patio and carport on premises at 845 Lincoln Street. GRANTED.

April 14

Philip T. Dammann, seeking side line variance to erect a garage at 282 Pond Street. GRANTED.

April 14

James Healty to divide the land located at 77 East Street. HEARING ADJOURNED TO APRIL 28, 1970.

April 14

Jeannette Buinicki seeking to allow a private stable at 774 Lincoln Street. DENIED.

April 28

James Healy - adjourned from April 14. GRANTED.

April 28

Albert D'Aniello seeking to build a single family dwelling on a lot on Baron Road with less frontage than zoning law requirements. DENIED.

April 28

James Thornhill seeking to construct a twenty unit multi-family dwelling on premises located on the northerly side of Beaver Street and located partially in single family residential IV district and partially in rural residential II district, land consisting of 68,000 square feet more or less. DENIED.

April 28

Virginia Somerby, seeking to permit use of land located off Forest Street as provided in Section III-H of the zoning by-laws. Attorney unable to attend and adjournment requested to May 12, 1970.

May 12

Virginia Somerby hearing originally scheduled April 28, 1970. DENIED.

May 19

Calvary Baptist Church seeking relief from decision of Building Inspector relative to foundation constructed below sidewalk or crown of road. GRANTED WITH CONDITIONS.

May 26

Dennis Grillo, seeking to erect a one family dwelling on Maple Street, seeking a 10' variance on side lot line. GRANTED

June 16

Skyline Homes, Inc. to remove excess loam which has been stockpiled on property located at the end of White Avenue on the westerly side of Mine Brook and the westerly side of Pond Street. GRANTED LIMITED PERMIT.

June 16

Skyline Homes, Inc. to permit construction of multi-family dwelling on Old West Central Street as allowed in Sections III-B.8.d of zoning by-laws. GRANTED WITH CONDITIONS.

June 23

Peter J. Maurano to permit the construction of a multi-family dwelling as allowed in Section III-C-18.b of the zoning by-laws at premises located at corner of Wachusett and Hutchinson Street; also to vary the requirements of Section III-C-18.b to allow four (4) more units than allowed under the requirements of this section. DENIED.

June 23

Gary Circone seeking to divide the premises located off Jordan Road into two (2) individual lots, each lot having less frontage than zoning law requirements in Rural Residential 1 and also to allow the construction of a single family dwelling on each lot. DENIED.

June 30

Lee J. and Carmela V. Quasey seeking to erect a new single family dwelling with attached garage at premises located on the northerly or northwesterly side of Wood Street, a portion of which will have a setback of ten (10) feet from the northerly side of Wood Street instead of the thirty (30) feet required by the present zoning by-laws. GRANTED WITH RESTRICTIONS.

July 14

Wilfred J. Swahn to allow the use of a private stable at premises located at Washington Street in accordance with Section III-A 16-e of the zoning by-laws of the Town of Franklin. GRANTED.

August 4

Mildred M. Pereira seeking to operate a dog kennel at 3 Carpenter Drive. DENIED.

August 4

Albert A. D'Aniello seeking a variance at 491 West Central Street and issuance of a special permit to allow the construction of ten (10) multi-family dwellings containing a total of sixty (60) units on premises located in General Residential III A District. GRANTED WITH CONDITIONS'

August 4

Anthony J. LoGrasso seeking allowance to erect a multi-family dwelling on premises on Raymond Street as allowed in Section III-C.18.b of the zoning by-laws of the Town of Franklin. Also to vary the requirements of this section to allow one more unit than allowed. DENIED.

August 18

Roderick Brown et ux seeking a 6 foot variance to allow construction of a garage at 946 Pond Street. GRANTED.

September 8

Kenneth R. White seeking permission to operate a private stable at the corner of Washington and South Streets in Rural I and a use allowable under special permit. GRANTED WITH RESTRICTIONS'

September 8

Herbert F. Barnes seeking a rear and side yard variance to move an existing lot line at premises located at 85 Summer Street. GRANTED PER SUBMITTED PLAN.

September 8

Louis Mucciarone seeking a 5 foot variance to move an existing lot line. GRANTED A 5 FOOT VARIANCE TO CORRECT AN ENGINEERING ERROR.

September 15

Donald H. Bresnahan - grievance hearing based on Article III, Section 2D of building code. GRANTED.

September 15

Jensen & Bielski, Inc. seeking a special permit at premises located on the easterly side of West Central Street; to permit construction of 350 units multi-family dwelling in General Residential IIIA District, pursuant to Section III-B-8 (d) of the zoning by-laws. GRANTED WITH CONDITIONS.

September 29

Margaret Cameron seeking to change the property located at northerly corner of King and Union Streets from Residential use to Commercial I use, No. 10. DENIED.

October 20

Robert C. Dorr requesting a side line variance of 13 feet on the right side of property located at Chestnut Street and a side lot variance of 12 feet on the left in order to construct a single family dwelling in a single family residential IV district. GRANTED.

October 20

Orlando Vozella requesting a special permit to build a single family residence in an industrial zone. GRANTED.

October 20

Henry Vendetti requesting a side line variance closer to lot line than zoning law requires. Variance of 8 feet requested. GRANTED.

October 27

Donald McStay et ux seeking a variance to permit the erection and use of a private stable on land known as Rockledge Farm, located at Washington Street. GRANTED WITH RESTRICTIONS.

November 10

Thomas Gentili — grievance hearing seeking relief from a decision of the building inspector relative to placing of house on lot on Daniels Street. GRANTED WITH RESTRICTIONS.

November 10

John J. McCahill et ux seeking to remodel lower portion of building located at 38 Emmons Street for an additional apartment. WITHDRAWN WITHOUT PREJUDICE.

November 10

Peter Maurano seeking a special permit for construction of a multi-family dwelling in accordance with Section III—C.18.b of the zoning by-laws on property located at Highland Street. DENIED.

November 17

Joseph R. Lenzi seeking to vary the requirements of the zoning by-laws under Section III.C.4 on property located on the corner of Hutchinson and Wachusett Streets. DENIED.

November 17

Donald H. Bresnahan requesting a 14 foot side line variance on property at 154 Long Hill Road to meet zoning law requirements. GRANTED'

November 17

Lee J. Quasey et ux to permit the erection of a new single family dwelling with attached garage at the northerly or northwesterly side of Wood Street, a portion of which will have a setback of ten feet from the northwesterly side of Wood Street instead of the thirty feet required by the present zoning by-laws. GRANTED WITH CONDITIONS.

December 1

William P. Lennon seeking a side lot variance of five (5) feet six (6) inches at premises located at 4 Forest Street to erect a garage. GRANTED.

December 1

The Modern Continental Construction Co., Inc. seeking to change the zoning from residential to commercial at premises located at relocated Birch Street and Uncas Street in Franklin, to allow for the erection of a repair shop for construction purposes. DENIED.

December 29

Guistino Socci seeking a special permit for the removal of earth products in accordance with the provisions of Section V-F of the zoning by-laws of the Town of Franklin at premises located at Vine Street. WITHDRAWN WITHOUT PREJUDICES.

The following meetings were held relative to previously held hearings:

January 28

Orlando T. DiPietro, questioning decision made relative to hearing of December 2, 1969. Decision stands as Denied.

January 28

Arthur B. Shorts, relative to decision pertaining to original hearing of October 21, 1969. It was suggested that a new hearing be posted.

August 25

Lee J. Quasey, et ux, relative to hearing of June 30, 1970. Decision was amended but later declared null and void. Original decision stands, with suggestion to post a new hearing.

Respectfully submitted,

FRANKLIN BOARD OF APPEALS

John E. Sheridan
Clerk

REPORT OF THE FRANKLIN INDUSTRIAL DEVELOPMENT COMMISSION

To the Honorable Board of Selectmen:

It has been a busy year for the entire Commission.

It was a bitter disappointment to lose the Honeywell Corporation. A great deal of time and effort, on and behind the scenes, was spent to reach the point where we were about to welcome Honeywell into our community, only to suffer the extreme disappointment when they were forced to cancel the entire program due to a corporate merger with the General Electric Computer Division.

We take this opportunity to express our sincere appreciation to all Town Boards and officials, individual taxpayers and realtors who extended unlimited cooperation to promote these negotiations in the best interests of the Town.

The Commission feels that at least something was gained by these negotiations as it led to a greater understanding of the need for complete cooperation between all Town Boards and taxpayers. Collectively, we are now in a better position to receive inquiries of this nature and magnitude.

The Franklin Industrial Park, located on Route 140, owned by LCA Corporation and State Mutual Insurance Company, is still without a tenant due to the Commonwealth's decision to relocate Route 140 at that point in order to conform with certain highway safety codes. As a result of many hearings that we attended with Town and State officials, the relocation has been pinpointed and established. Although there are many top-quality industries presently interested in the Park, it is the general opinion that no further activity will be noted there until the State initiates the reconstruction.

This past year, the Executive Board of this Commission was appointed by the Selectmen to act as the Economic Development Commission for the Town of Franklin. Our first progress report was submitted on March 20, 1970 for the calendar year 1969.

Extensive brochure mailing was programmed, with a considerable quantity already mailed to leading Industrial Realtors and interested individuals of major corporations and businesses throughout the country. The State has been most cooperative by continually submitting additional lists for us to follow up. We expect this program to continue at an accelerated pace.

Primarily for the edification of Commission members, we acquired a more comprehensive knowledge of steel building construction—its advantages and limitations—to better understand how our own laws apply to an industrial prospect who might prefer this type of construction, as steel building construction, with proper modifications, is permitted in the Town of Franklin if the prospect can specifically identify the use and occupancy.

Because we believe ours was the last Town Board on which he served, regretfully, we note the passing of Mr. Charles Robinson, who led a long and honorable

record of unselfish devotion and service to our community.

Color-coded water and sewer maps, updated as of December, 1970, have already proven to be of great reference value to various Town departments, industrial realtors, prospects and consulting engineering firms servicing the Town and are included in our brochure mailing program.

We regret that the Town has yet to appoint an Industrial Finance Authority that was favorably voted at the 1969 Town Meeting. This Authority, when established, will be invaluable to further cultivate industrial prospect interest.

We have set up our own committee to investigate the possibility of the State sharing some portion of the money already spent for brochures and advertising. As there is a State Fund established for this purpose, at this writing, we believe there is a possibility that we are eligible for some reimbursement.

The full impact of our large advertisement in the New York Times has not yet been felt, but considerable response is expected as this ad was distributed to over a million and a half readers by the newspaper issue, and will be further distributed at no additional charge by its enclosure in the well-read New York Times Guide to Industrial and Business Locations.

Your Commission is entirely optimistic in the possibility of acquiring new industry in the Town of Franklin during the coming year. You have assurance that our primary intent is to promote only that type of industry that we expect you want, of the quality you are accustomed to.

Respectfully submitted,

Joseph Hipple, Jr.
Chairman, Franklin IDC

REPORT OF THE RECREATION DEPARTMENT

To the Honorable Board of Selectmen:

The citizens of the Town of Franklin took a giant step in the field of Recreation when at the Town Meeting last March they authorized the appointment of a Recreation Director and the setting up of a Recreation office to coordinate and develop the present and future recreation facilities and programs for the Town.

After a long and careful study the Recreation Committee chose Stanley P. Comforti of Westerly, R. I. to be the new Director.

Mr. Comforti is a graduate of the University of Rhode Island and majored in recreation and has a bachelors and masters degree in that field. Mr. Comforti assumed his duties on August 17, 1970 and the office was set up in the Mill Store area.

The initial action taken by our new Director was that of familiarizing himself with the community and to gain insight on recreational programs already in process in surrounding communities. Along with various speaking engagements and the establishment and organization of his new office, the director also distributed a questionnaire and check list to students and adults throughout the community. The questionnaire aided the department in finding needed volunteers for all phases of the program and the check list pointed out the recreational activities that stimulated the most interest among the sample taken.

The Director then set out to plan for Franklin's first fall and winter recreation program. Listed below are the programs started during the four month tenure of the Recreation Director:

Program	Date Started	Enrollment
Adult Tennis Lessons	Sept. 30	33
Adult Golf Lessons	Oct. 8	17
Men's Volleyball	Oct. 21	50
Girls' Physical Activity	Oct. 21	23
Girls' Basketball Program	Oct. 28	61
R.I. Reds Hockey Game (1 night)	Oct. 30	92
Self Defense Classes	Nov. 4	44
Ski Program	Dec. 9	460
Ice Skating Program (girls)	Dec. 9	55
Total enrollment		835

The above activities attracted an enrollment of nearly 900 people in recreational activities during the months of October, November, and December. It is evident that the residents of the Town of Franklin are truly recreation-minded and should be credited with the success of this newly adopted fulltime department.

The Recreation Director had also served in helping independent civic groups make arrangements for utilizing school facilities with the cooperation of the Superintendent of Schools, the Athletic Director, and Custodian Head.

The Recreation Committee suffered two severe blows late in the year when Lorraine Metcalf resigned from the Board and also gave up the supervision of the Swim Program after 40 years. It was with deep regret that the Board accepted Lorraine's resignation and thanks her for the tremendous job she has done over the years for training over 25,000 citizens of Franklin, both young and old, to be able to swim properly.

Also resigning was Charles Hooper, after many years of dedication to the youth of Franklin and it was with keen regret that his resignation was accepted.

RECOMMENDATIONS:

1. That the school facilities be utilized fully by the people and especially the new high school now under construction.
2. That there be a closer working relationship between the Recreation Department and the School Department, whose facilities are invaluable for recreation and with the Public Works Department, whose manpower and equipment are needed in the area of maintenance.
3. That the Recreation Department be given control of all recreational areas, ball fields and the like for the purpose of coordinating their usage.
4. That a maintenance and equipment storage building be constructed at Fletcher Field from the Fletcher Fund money.

Franklin Swim Program 1970

The 1970 Summer Swim Program got successfully underway with the objectives of teaching knowledge and skills that would tend to eliminate dangers in aquatic areas.

The attendance was most gratifying to all of the supervising group and the parents of those participating in the classes should be commended for their dedication.

Supervising Staff

Lorraine Metcalf, W.S.I. Franklin Public Schools - Supervisor
Instructors

Mrs. Mary Beane, W.S.I. - Nursery Training School

Mrs. Marilyn Cormier, W.S.I. - Mass. Humane Society

Miss Mary Ristaino, W.S.I.

Miss Cynthia Richards, W.S.I.

Miss Diane Richardson, W.S.I.

Mrs. Sheila Staniscia, W.S.I.

RECOMMENDATIONS:

1. That the new supervisor be given wide latitude in the running of the 1971 program.
2. Elimination of preprimary groups until new staff becomes well-seasoned.
3. That all instructors be graduates of a National Red Cross Aquatic School.
4. That the number of staff be increased.
5. That the Town start seriously studying the possibility of constructing a new outdoor man-made swimming pool.

W.S.I. Director

Franklin Playground Report 1970

The 1970 Summer Recreation Program was held at Fletcher Field for an eight week period, under the supervision of Allan Sutherland.

Attendance for the program was 100 children in the morning session and 125 in the afternoon.

The bus used for the program carried an average of 25-30 children per day in the morning, and 15-30 in the afternoon. Five to ten children stayed all day.

Playground Staff

Allan Sutherland - Recreation Supervisor
Kathleen Burke - Instructor
Martha Stack - Instructor
Rocco Faneli - Instructor

Program

1. Organized Games - Baseball, Tag Football, Soccer and Basketball
2. Leisure Games - Horseshoes, Chess, Checkers, Teterball, etc.
3. Arts & Crafts - Covered all phases of Arts & Crafts with a contest on Friday
4. Tennis Lessons - Both individual and group lessons
5. Wading Pool Activities
6. Cookout - Every Wednesday
7. Special Events - Watermelon Hunt, Talent Show, and various field day contests
8. Field Trips - Animal Farm in Mendon, Battleship Massachusetts, and the Boston Aquarium

RECOMMENDATIONS:

1. An adequate storage area for equipment.
2. Have more than one supervised playground and hire more personnel to supervise that playground.
3. A program initiated for the young adult, ages 14-19, who are unemployed and could use the playground facilities during the morning and afternoon.

Long Range Plans

1. Pave the parking lot at Fletcher Field
2. Pipe the brook through the west end of Fletcher Field
3. Establish a new playground in the north end of the Town
4. Establish a new ball park and new Little League field other than at Fletcher Field
5. More flood lights at Fletcher Field

The recreation year of 1970 was highly successful in Franklin and the 1971 year promises to be even more successful. For this success, the Recreation Committee can only thank the people of Franklin, and especially their new director.

Respectfully submitted,

Edward A. Monier, Chairman
Henri C. Beane

ANNUAL REPORT OF THE INSPECTION DEPARTMENT

To the Honorable Board of Selectmen

Gentlemen:

I hereby submit the annual report of the Inspection Department, for the year ending December 31, 1970.

The Department personnel was as follows:

Alden R. Mucciarone	Building Inspector - Zoning Agent - Inspection Department Head
Frederick H. Bassignani	Assistant Building Inspector (1-1-7- to 9-21-70)
Paul DeBaggis	Assistant Building Inspector (9-21-70 to 12-31-70)
T. George Kotros	Wire Inspector
Joseph J. Boulanger	Alternate Wire Inspector
Richard Cornetta	Gas Inspector
	Alternate Gas Inspector
Ann C. Bassignani	Secretary

In the division of Building there were 227 permits issued, at a declared estimated valuation of \$4,637,597.38. Total fees collected on permits issued and the sale of Town booklets amounted to \$10,113.75.

In the course of the year there were 1942 inspections of Buildings made, and 66 occupancy certificates issued, covering 58 new homes, 4 business establishments having made change of use, and on 4 other structures: As Zoning Agent there were 617 inspections made. These were compiled of periodical area inspections of the Town, involving the open display and storage of "Junk Cars" - unregistered vehicles; Building/erection of structures; without a building permit; Residential Swimming Pools, to be certain of their compliance to the Safety Regulations, and the Zoning By-Laws as set forth by the Town; Run down and dilapidated structures, that could present a danger and a hazard to the area; Inspection of two and multi-family dwellings and places of public assembly, that they have the necessary egresses and other safety factors, which are still being conducted in areas not yet covered. Notices were sent to residents making them aware of the laws governing the open storage and display of "Junk Cars" and other similar materials, and as a result 107 known vehicles were removed, and 31 were later registered in the year. Also, other sources reported a total of 47 such vehicles as having been picked up. Much of this was made possible through the fine cooperation received from the residents of the town, and to whom I am most appreciative. Of the 14 residents found in violation, having started construction without first obtaining application for a building permit, upon being informed of the necessity of a permit, all conformed with the exception of one. There were 23 permits issued for Residential Swimming Pools, and re-inspection made of those issued in previous years on their conformity to the laws governing same. Again this year, there was an abundance of

residents owning swimming pools found to be in violation. The laws governing the safety measures necessary on residential pools was instituted several years ago at an Annual Town Meeting, the intent of which was to prevent the accidental drowning of small children; and without the support and cooperation of the residents owning pools, it is a most difficult by-law to enforce. The year 1970 has an all time high record set on the demolition of rundown buildings, both residential and business establishments. These transformations are most apparent to one when driving in and about various areas of the Town; the changes taking place with the erection of new commercial establishments, complete with sidewalks, granite curbing and appropriate landscaping.

In September, Mr. Frederick H. Bassignani left the Inspection Department as Assistant Building Inspector. Fred has duly served in both capacities as Assistant Building Inspector and Building Inspector at one time or another since 1959, and he has proven himself to be a most valuable asset to the Town. Paul DeBaggis has now assumed the duties of the Assistant Building Inspector and we take this opportunity to welcome Mr. DeBaggis to the Inspection Department.

I also would like to mention at this time that the Board of Appeals reached an all time high on hearings held since the inception of this Board. The main reason being, old and existing lots of lesser size than that required today, and on apartment houses and complexes.

In the capacity of Zoning Agent I have attended most every meeting and hearing of the Appeal Board, and also many Selectmen and Planning Board meetings. And, whenever possible I have attended the monthly meetings of the Norfolk County Building Inspectors Association, and the Massachusetts Building Inspectors Association, and it is there that the problems of the various inspectors of the Commonwealth are aired and discussed.

DIVISION OF WIRING

In the Division of Wiring there were 410 permits issued during the year 1970, and realized a total of \$2,166.69 in fees collected.

DIVISION OF GAS

There were 229 permits to do gas fitting issued in the year 1970, consisting of new appliances installed in both Commercial, Business, and Residential buildings, realizing a total of \$921.50 collected in fees.

In closing I would like to thank my Inspectors, the Honorable Board of Selectmen, Planning Board, Appeal Board and all other Boards and Departments and their personnel for the assistance and cooperation given to this Department throughout the past year.

Respectfully submitted,

Alden R. Mucciarone
INSPECTION DEPT. HEAD

BUILDING INSPECTOR
INSPECTION DEPT. HEAD

REPORT OF BOARD OF HEALTH FOR 1970

To the Honorable Board of Selectmen:

Gentlemen:

The reported cases of Communicable Diseases as of December 31, 1970 are as follows:

Animal Bites	10	Salmonellosis	1
Chicken Pox	35	Scarlet Fever	10
Gonorrhea	2	Streptococcal Sore Throat	11
Hepatitis	1	Syphilis	2
Mumps	1	Tuberculosis (Inactive)	2

Premature Births are also reported to the Board of Health.

Premature Births 18 (3 succumbed after birth)

1970 saw the resignation of Dr. C. Lincoln Dana, after more than 20 years on the Board of Health. John Rizoli, local pharmacist, was appointed to fill the unexpired term.

Dr. C. Lincoln Dana was appointed Board of Health Physician for the administration of Immunization Clinics, sponsored by the Board of Health.

Board of Health was responsible for staffing the Well-Child and Tuberculosis Clinics, The Tuberculosis Clinics, being held at Milford Hospital. Well-Child Clinics are held in lower Town Hall. Appointments may be made by contacting the Board of Health office.

On July 1, 1970, a complete new Nursing Program for the Town of Franklin came into effect. The Board of Health took over the functions of the Franklin Nursing Association as this private group, due to rising costs, closed its activities.

Monthly Swab tests on glasses, cups and utensils are taken by Putnam Steele Laboratories and results are given to each establishment and recommendations to remedy questionable sources of high incidence. Past tests show most establishments are sanitizing very well.

Milk samples are taken each month from companies that sell and deliver in Franklin. Results reveal that Franklin maintains a consistently high level.

Swimming areas were checked twice monthly during July and August by Putnam Steele Laboratories and found to be suitable.

This year the Board adopted regulations and rules for "Franklin Land Fill" on Beaver Street.

We received several complaints on Air Pollution within the Town. These complaints were turned over to the Mass. Dept. of Health Division of Environmental Health who, at the present time, are following through with notification of persons and companies creating the conditions. Each offender is given a punch list on abating these conditions within a specified time.

The Board received many more complaints on Article II, Minimum Standards for Human Habitation, part of the State Sanitary Code. These complaints were followed up and property owners made to comply with these standards.

Again we had a number of nuisances for the year 1970; overflowing cesspools, rubbish, garbage, etc. Garbage is becoming a problem as we had over 500 calls on new pick-ups and those homes missed.

Building in unsewered areas that were applied through the Board of Health for sewage permits were the lowest in the past 12 years. We received only 19 applications for 1970.

The Mine Brook odors became a real source of problems in the late summer and were investigated by the Water Resources Division, Dept. of Natural Resources. The future planning now going on, on a new treatment plant, will eliminate this within a few years.

The Board meets the first Wednesday of each month at 7:30 P.M.

Respectfully submitted,

Margaret M. Murray, Chairman
Guistino Socci, D. C.
John H. Rizoli

REPORT OF BOARD OF HEALTH – NURSING SERVICE

Regional Chest Clinics	10
Attendance	203
Monthly Reports on Clinic Service required by State Department of Health – Division of Tuberculosis	
Number of Patients admitted in 1970 to sanatorium	0
Number of Patients discharged in 1970 from sanatorium	1

Tine Testing Sessions for detecting Tuberculosis Infection	2
Grade I St. Mary's School – June and October	
Total Tested	121
Number of Re-actors	0
Re-actors from Public School Tine Testing	7
Screened at Franklin Chest Clinic	
Found Negative	7
Annual Tine Testing Report required by State Department of Health – Division of Tuberculosis	
Well Child Clinics	19
Attendance	295
Examination, guidance, and Immunization supplied.	
Tine Testing was also instituted this past year.	
Six children were referred for evaluation and correction of defects.	
Annual Report on Well Child Service required by State Department – Division Maternal and Child Health.	
Premature Births	18
Stillborn	0
Succumbed After Birth	3
Nursing Visits to Premature Infants	57
Home appraisal visit and report required by State Department of Health in each Premature birth.	
Immunization Clinics	11
Number receiving Rubella Vaccine exclusive of Public Schools	1008
Number receiving Rubella Vaccine in Public Schools	1674
Number receiving Mumps Vaccine exclusive of Public Schools	510
Number receiving Mumps Vaccine in Public Schools	761
Number receiving Measles Vaccine	58
Total D–P–T Antigen given	180
Total Oral Sabin Polio Drinks	173

All Community and School Clinics (Parochial and Public) are serviced by the Board of Health Physician — C. Lincoln Dana, M.D.

Parochial School Service

Individual vision and hearing screening conducted annually on total enrollment as law requires.

Written notice of failures supplied parents — with good corrective response.

Physical examinations for Grades IV and VII not provided at St. Mary's for school year 1970-1971. Parents have been notified and provided with forms for examination by their family physician.

Clinics conducted at St. Mary's	6
Registration Sessions serviced	2
Home visits for school service	18

On July 1, 1970 the Franklin Board of Health assumed responsibility for supplying skilled bedside nursing service on an intermittent basis and other therapeutic services (Physical Therapy, Occupational Therapy, and Speech Therapy) under direction of attending physicians. The Franklin Nursing Association, Inc. had provided bedside service for 55 years.

Total Nursing Visits for 1970	2786
Physical Therapy Visits	53
Occupational Therapy Visits	8
Speech Therapy Visits	5

The Service was reviewed in December 1970 by the State Department of Health and recommended for recertification as a Provider of Service to Medicare Beneficiaries.

I would like to thank the Board of Health, the Board Physician, and all school personnel for their help — also special groups and individuals who have aided in a variety of ways for better community health.

Respectfully submitted,

Anne Curtin, R.N.

AMBULANCE REPORT 1970

To the Honorable Board of Selectmen:

The town owned ambulance operated by the Fire Department completed the year 1970 with a total of 711 trips to hospitals, nursing homes and doctors' offices.

The receipts for the year amounted to \$5,287.90.

Our new ambulance which was purchased with the assistance of a Federal Grant in the amount of \$6,750.00 was placed in service on July 11th of this year.

As more and more demands are being made for ambulance service, I find that the station is being left with only one man available for fire duty when the ambulance is out. I recommend that if the ambulance is to be gone for a period of two hours or more, that two men be called in to cover the station.

A list of trips made are as follows:

Milford	416
Norwood	48
Boston	44
Pondville	31
Doctors' Offices	29
Attleboro	27
Woonsocket	24
Framingham	23
Nursing Homes	23
Roslindale	14
Providence	8
West Roxbury	7
Worcester	6
Natick	5
Foxboro	4
Pawtucket	1
Needham	1

For the year 1971 I recommend the sum of \$4,850.00.

Respectfully submitted,

Paul Beaudette
Chief

REPORT OF THE SEALER OF WEIGHTS AND MEASURES

To the Honorable Board of Selectmen:

Gentlemen:

I submit for your consideration the report of the Sealer of Weights and Measures for the year ending December 31, 1970.

The devices sealed were as follows:

LIQUID MEASURING DEVICES

Gasoline	64
Oil, Grease	3
Vehicle Tank	17

SCALES & BALANCES

Over 10,000 pounds	2
5,000 to 10,000 pounds	0
100 to 5,000 pounds	5
Under 100 pounds	49

WEIGHTS 71

PUMPS 1

AUTOMATIC MEASURING DEVICES 5

LINEAR MEASURES 13

There were 9 devices found incorrect and adjusted during the year.

Fees received and turned in to the Town Treasurer were \$390.65.

I wish to thank the merchants, service station operators and fuel oil dealers of the Town for their cooperation and assistance during the year.

Respectfully submitted,

PETER T. BURKE
Sealer of Weights and Measures

REPORT OF THE NORFOLK COUNTY MOSQUITO CONTROL PROJECT

To the Citizens of Franklin:

Submitted herewith is the report of the Norfolk County Mosquito Control Project of its activities in the Town of Franklin for the year ending December 31, 1970.

Aerial Larvicide	1378 acres
Misting, from trucks	3805 acres
Backpack spraying	81 acres
Winter pre-hatch dusting	47 acres
Drainage ditches cleaned	8075 feet
Brush cut	2790 feet
Culverts cleaned	13 culverts

Respectfully submitted,

Albert W. Heuser
Superintendent

REPORT OF SUPERINTENDENT OF INSECT PEST CONTROL

To The Honorable Board of Selectmen:

Gentlemen:

It is my duty to submit the following report on the Insect Pest Control Department for the year 1970.

POISON IVY

1. There were sixty-three (63) different areas of Poison Ivy treated with very effective results.
2. There were many streets in Franklin treated with Poison Ivy material with the Town spraying equipment to eliminate the Poison Ivy along the road sides.
3. This type of control is proving very effective, as most people realize the dangers of Poison Ivy.

INSECT PEST CONTROL

1. During the 1970 season, forty-six (46) calls were received to kill bees at peoples' homes and nests in trees and bushes.
2. There were many calls for (Mud Dobbers), a large form of bee that invade catch basins in various locations around the Town.
3. A dormant spray was applied to most Town shade trees using the Town Mist Blower.
4. A follow up application of Methoxychlor with Malathion for a "Knock Down Agent" was applied by Helicopter and Town owned Mist Blower.
5. Late in the season our Town, like most other Towns of the State, became infested with the Oak Leaf Skeletonizer. All sources of information has let it be known that we can expect to have another outbreak of this insect in 1971 which will require additional spraying to stop this insect so that our Oak and Maples will not become weakened and possibly die due to being fed upon by the Leaf Skeletonizer.
6. This kind of treatment is very necessary and is proving effective in controlling all the chewing and sucking insects that destroy our trees.

DUTCH ELM DISEASE

Dutch Elm Disease is caused by a fungus that kills Elm Trees by clogging its water conducting vessels. It is a very serious disease that is killing many of

our beautiful Elms. The fungus enters a healthy tree as spores carried on the body of the Elm Bark Beetle. The Elm Bark Beetles breed under the bark of dying or recently killed Elm Trees. Broken and injured Elm branches provide beetles with ideal conditions for breeding, even though the trees remain healthy. Every dying Elm Tree whether infected by Dutch Elm Disease or not becomes a hazard. The fungus also spreads among Elms through root contacts. Complete eradication of Dutch Elm Disease appears impracticable. Local control of its spread seems the only practical approach. An effective program may be achieved economically as follows: Spraying, Sanitation, Isolation and Maintenance.

1. Most Elm Trees were sprayed for a dormant spray with the Town Mist Blower.
2. A second application by Helicopter of Methoxychlor with Malathion was used, with the follow up of the Town Mist Blower in Residential and Rural areas.
3. This work is necessary and is proving effective in controlling the American and European Elm Bark Beetles which feed on Elm Trees and spread the Dutch Elm Disease.
4. A total of thirty-eight (38) samples from suspected Elm Trees were taken and sent to the Mass. Shade Tree Laboratory. Tests were made on the samples and thirty-six (36) Elm Trees had the Dutch Elm Disease.
5. The Town received State help this year in taking samples and taking down dead and diseased Elm Trees at no cost to the Town. This Department is under the jurisdiction of the Department of Natural Resources. The Department also works in conjunction with the Tree Department in the Town of Franklin. The Department is undermanned and requires more men in order to keep from falling behind in its duties. The Department is in great need of a Pick-up Truck and other equipment.

The Department of Insect Pest Control wishes to take this opportunity to thank the Board of Selectmen, the Department of Public Works, the Police Department and all the Citizens of the Town for their cooperation during the past year.

Respectfully submitted,

Edward L. Revell
Supt. Insect Pest Control

REPORT OF FENCE VIEWER

Board of Selectmen
Town Hall
Franklin, Mass. 02038

Honorable Sirs:

During the year 1970, there were many inquiries as to the type of fences allowed, their height, minimum and maximum; how close to their lot lines they may be placed, and on which side the complimentary face shall be shown.

Inspections were made at the various sites, and as of the closing of the year, all have been resolved.

Respectfully submitted,

Frederick H. Bassignani
Alden R. Mucciarone
Fence Viewers Committee

REPORT OF FIELD DRIVER

To the Honorable Board of Selectmen:

I hereby submit my report relative to stray animals in the Town of Franklin during the calendar year of 1970.

There were 57 complaints of stray animals to Field Driver, and 105 complaints to the Police Department of stray animals, a total of 162 complaints. This is an increase of 87 over last year.

All complaints were taken care of promptly.

Respectfully submitted,

Henry J. Bardol
Field Drive and Pound Keeper

REPORT OF THE TOWN ACCOUNTANT

To the Honorable Board of Selectmen:

In accordance with Chapter 41, Section 61 of the General Laws, I submit the fourth annual report of the Town Accountant for the year ended December 31, 1970, in the form of the following schedules:

- Summary of Cash Receipts and Expenditures
- Report of Appropriations and Disbursements
- Analysis of Federal Grants and Revolving Accounts
- Funded Debt and Interest Payable in 1971
- Detailed and Consolidated Statements of Funded Debt
- Memorandum of Uncollected Accounts of the Treasurer-Collector
- Report of Debt Limit
- Balance Sheet

In 1970 I utilized the N.C.R. Accounting machine to prepare the weekly Treasury Warrants and at the same time prepared the vendors. checks which saved the Treasurer's Office clerical time each week.

All invoices and payrolls presented during the year by the various departments were examined for accuracy and legality before being submitted to your board for approval and the Treasurer-Collector for payment. The payments were presented in 53 warrants, amounting to \$24,587,841.96.

The Treasurer-Collector's cash was audited and found to be in order, the total cash receipts during the year totaled \$24,786,854.50 and the Cash Balance as of December 31, 1970 is \$518,466.15.

Notices of condition of appropriations were furnished, written and verbally, to the various departments and boards during the year. At the time of the writing of this report the following unpaid bills have been submitted, either for the lack of funds or lateness in receiving them.

They are as follows:

Collective Bargaining Acct.	\$ 752.50
P. W. Heat, Utilities, Etc.	303.13
P. W. Gasoline & Oil	844.87
Snow & Ice Removal	5,204.86
Veterans Assistance	862.82
School Administration	857.58
School Instruction	11,120.86
School O. M. S. P.	11,825.18
School O. S. S.	13,825.18
School A. F. A.	1,511.70
School P. W. O. D.	676.58

All regular budgets and some special accounts have been closed out, and the sum of \$120,132.21 in unexpended balances have been turned back to the Surplus Revenue Account.

Notice has been given to the Assessor's of the receipts of 1970 which they will use in preparing their estimates in determining the 1971 tax rate. A balance sheet was submitted to the Bureau of Accounts for a certification of "Free Cash" for the year 1971.

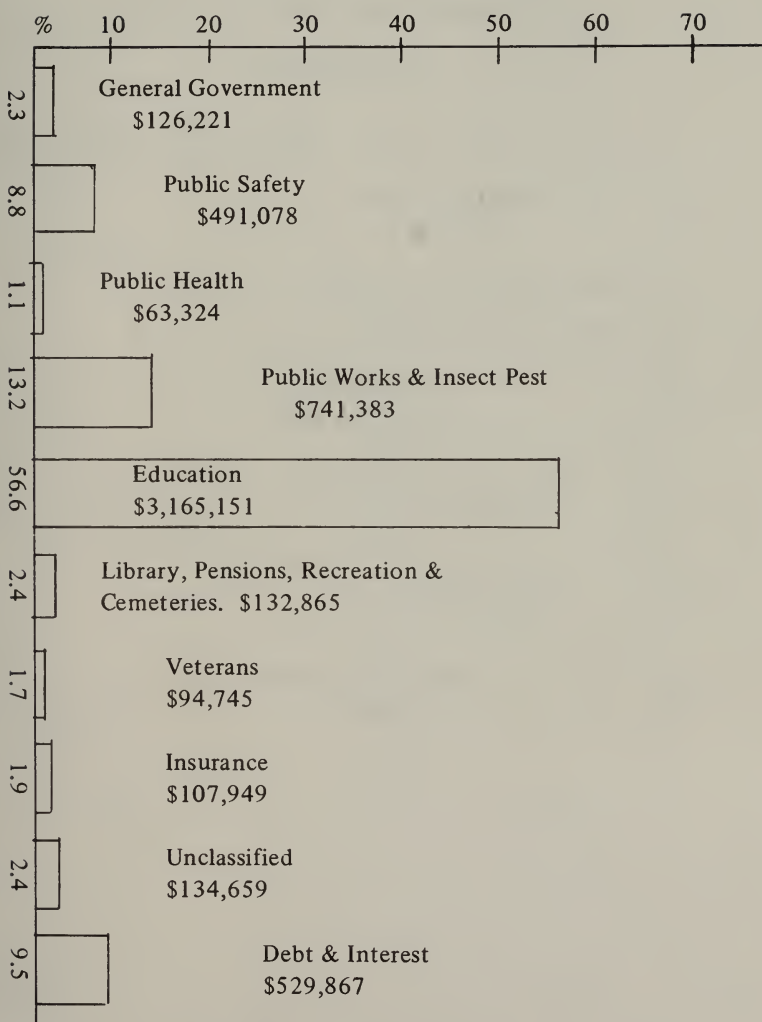

In closing, I would like to thank the various Department Heads and Boards as well as their staffs for their cooperation during the past year.

Respectfully submitted,

Robert J. Rappa
Town Accountant

DEBT LIMIT OF THE TOWN OF FRANKLIN

As of December 31, 1970

Robert J. Rappa, Accountant

Following is a computation of the amount which the Town may legally borrow in addition to its present debt as allowed under Chapter 44, Section 10, G.L., which reads in part as follows:

"A town shall not authorize indebtedness to an amount exceeding five per cent, on the average of the assessor's valuation of the taxable property for the three preceding years, the valuations being first reduced by the amount of all abatements allowed thereon previous to December thirty-first of the preceding years; provided the value of Motor Vehicles and Trailers taxable under Chapter 60A, as determined thereunder, shall be used in determining the valuation of the taxable property for the purposes of this section. All authorized debts except those expressly authorized by the law to be incurred outside the debt limit, shall be reckoned in determining its limit of indebtedness, under this section."

Assessors Valuation for past three years:

1968	\$ 84,118,181.00
1969	85,509,470.00
1970	87,601,432.00
	\$257,229,083.00

Average Valuation	\$ 85,743,027.00
-------------------	------------------

5% of Average	\$ 4,287,151.00
---------------	-----------------

Minus:

Present Fixed Debt	\$10,860,000.00

REPORT OF THE TREASURER – COLLECTOR

To the Citizens of Franklin:

I herewith submit a copy of my annual report as Treasurer - Collector for the Town of Franklin, together with a list of the individual employees and their gross earnings for the year 1970.

Much effort and time has been expended in collecting delinquent taxes and bills due the Town as promised in my last report and every effort will be continued in the forthcoming year to continue this policy.

I wish at this time to compliment the Board of Selectmen on a new policy adopted this year by their board. The system of checking with the Tax-Collection Department before issuing any licenses has been very helpful to our department.

Motor Vehicle Excise taxes continue to be our biggest problem. The co-operation of the Registry of Motor Vehicles is of great assistance in our effort to minimize this problem.

During the year, the new High School Bond Issue of \$9,000,000.00 was sold. Investment in C.D. Notes and Time Certificates have been purchased to gain considerable interest money for the Town until such time as the money is needed to meet the monthly expenses. Investments have also been made of receipts to the general fund to gain additional revenue for the Town.

My office is open on the first Saturday of each month except in July and August, from 9 A.M. to 12 P.M. for the convenience of taxpayers for payment of bills or for any assistance we may render. Judging by the response in the past, I believe this service is a necessity to many and I hope it will continue to be so.

I wish to take this opportunity to thank all Boards, Department Heads and their staffs for their co-operating during the past year.

Robert Bell
TREASURER—COLLECTOR

ANNUAL REPORT OF THE TREASURER—COLLECTOR

 Franklin Advisory Committee

REPORT OF THE FRANKLIN LIBRARY ASSOCIATION

The combined circulation of the year 1970 of books, magazines, and recordings was 107,806.

	Adult	Juvenile	Total
Circulation	56,699	51,107	107,806
Books added	1,185	831	2,016
New borrowers	1,017	669	1,686
Borrowers registered	10,431	4,200	14,631

Continuing services that have expanded are Service to Shut-Ins, Inter-library loans, films from the Audio-Visual Department of the Boston Public Library, and the Eastern Massachusetts Regional Public Library System Bookmobile. Books and recordings are received monthly; this is of tremendous help to those libraries on a limited budget. The summer reading program and the pre-schoolers story hour for the Children's Room during July and August were notably successful, with a registration of over 208 children.

The present staff includes the following:

Mr. Arthur E. Olsen, Head Librarian
 Mrs. Betty M. Swenson, Assistant
 Miss Hazel M. Gay
 Mrs. E. Jean Miller
 Miss Dorothy W. Abbott
 Mrs. Eunice M. Whitman
 Mrs. Beverley G. Grime
 Miss Cynthia DiPietro
 Miss Deborah Grime
 Miss Barbara George
 Miss Elizabeth Crawford
 Miss Lynne Anderson
 Miss Marion Sampson
 Miss Cynthia Bonney
 Mrs. Eleanor Pearcey
 Mrs. Agnes George
 Miss Cathy Cargill
 Miss Ruth Ramsey
 Miss Ellen Newell
 Mr. Stanley Dobeck, Custodian

The Association wishes to extend its sincere thanks to all who helped the Library in any way during the year, including the donors of books, Mrs. Jeannette Harding for her floral arrangements, and the Aldenettes for their annual gift of money, and the motion picture projector purchased. The Aldenettes have continued with sponsorship of the story hour.

Names of the book donors are:

Miss Dorothy W. Abbott
Aldenettes
Mr. & Mrs. Walter Bennett
Mr. & Mrs. William Bonney
Mimi Bresnahan
Miss Irene W. Buckler
Mrs. Elsie Burgess Memorial
Ann Marie Burns
Mr. Paul F. Burns
Mr. Richard P. Cairns
Judy Carlson
Marie Coffin
Commonwealth of Massachusetts
Community Service of Alden Club
Franklin Crowther Memorial
Miss Jane Dana
Dept. of Agriculture
Mrs. Raymond Danton
Mr. Robert Danton
Mr. Joseph DeForge

Mr. John Locke
Mr. Richard McCormick
Mr. Charles T. Metcalfe
Mrs. Kenneth R. Miller
Mr. Richard Morrissey
Mr. Arthur E. Olsen
Mrs. R. Francis Pearcey
Mrs. Pinkham
Mr. Bradford Powers

Mr. James B. Powers
Ann Marie Puccillo
Mr. Edwin Ribero
Mr. Clyde Rice
Mrs. Charles Robinson, Jr.
Carole Russell
Mrs. Marion Shangraw
Mr. Philip Sharpe
Mr. Raymond H. Smith, Jr.
Mrs. Betty M. Swenson
Cheryl Symmes
Mrs. Benjamin D. Thomas
Mr. Albert Vail
Mrs. Harry A. Varjian
Mr. J. Parker Vetrano
Mrs. Alfred H. Wahlers
Jeffrey Warren

The officers and directors of the Association are:

Officers:

Mr. Charles W. Desaulniers, President
Mr. Carlo B. Geromini, Vice-President
Mr. Richard P. Cairns, Secretary
Mrs. Howard C. Abbott, Treasurer

Directors:

Mr. John J. Brunelli, Jr.
Mr. John E. Fitzgerald
Mrs. Vernon A. Harding
Mr. Chester W. Hobbs
Miss Marion Holmes
Mrs. Thomas P. Howard

Due to the town's increase in population, the share of State Aid will increase in 1972. The State will require that the library be open 50 hours.

It is the permanent objective of the Staff and Directors to broaden the use and usefulness of the Library for all of the townspeople – with the continuing support of the citizens, donors, government agencies, the progress and momentum of recent years can be maintained, and your Library will continue to be a source of civic pride.

Respectfully submitted,

Richard P. Cairns
Secretary

REPORT OF THE DOG OFFICER

To the Honorable Board of Selectmen:

I hereby submit my report relative to dogs in the Town of Franklin during the calendar year of 1970.

Number of Dogs licensed	995
Number of Kennels licensed	42
Number of stray dogs killed and buried	394
Number of dogs killed by cars	110
Number of dogs struck by cars and destroyed	152
Number of dogs destroyed by request of owner	120
Number of Police calls	1,290
Number of complaints filed	240
Number of dog bites Board of Health	21

We have answered 3,740 complaints pertaining to dogs. This is an increase of 800 over last year. There was another decrease in the killing of livestock and poultry by dogs during the past year.

It is important that all owners of dogs, license these animals in their custody which are three months old or reach the age of three months during the year.

Attention is hereby called to the following:

Chapter 136A as amended by Chapter 111, Acts of 1943 of the General Laws: "The owner or keeper of a licensed dog shall cause it to wear around its neck a collar or harness of leather or other suitable material, which shall be securely attached a tag in the form prescribed by the director, and upon which shall appear the license number, the name of the town issuing such license and the year of issue."

Effective September 13, 1967. Article 96 of Annual Town Meeting of 1967.

Respectfully submitted,

Henry J. Bardol
Dog Officer

BICYCLE REGISTRATION REPORT

To the Honorable Board of Selectmen:

I hereby submit the report of the Bicycle Registration for the year ending December 31, 1970.

Appropriation	\$50.00	
Expended	50.00	
		Balance \$00.00

Income	489 Bicycle Registrations @.25 each	\$122.15
--------	-------------------------------------	----------

Respectfully submitted,

Francis C. Salmon
Patrolman

REPORT OF THE PERSONNEL BOARD

To the Honorable Board of Selectmen:

The Annual Town Meeting of March, 1970 adopted a Personnel By-Law which is the first in the history of the Town.

The Town Moderator, in keeping with the new law, appointed five citizens to the Personnel Board and charged them with the duty of executing the new law.

The first organizational meeting was held on May 14, 1970 and the Board organized itself as follows:

George H. Cummings, Jr.	Chairman	1 year appointment
John D. Dougherty	Member	2 year appointment
Edmund J. Keefe	Member	2 year appointment
Paul S. Fath	Member	3 year appointment
Richard L. Sneden	Secretary	3 year appointment

Robert J. Rappa was selected to serve as Clerk of the Board.

Mr. Cummings resigned in August, 1970 and Frederick Swan was appointed to fill out his term. Edmund Keefe was elected to complete the one-year term of Chairman.

Among its first actions, the Board arranged for printing and distribution of three hundred copies of the Personnel By-Laws to all affected departments and employees.

Monthly meetings were established for the second Tuesday of each month, and are duly posted.

Since inception, nine meetings, regular and special, have been held and fifteen matters involving town employees came before the Board, were studied, and decisions returned to interested parties.

The Personnel Board conferred with the Board of Selectmen, and after discussion it was agreed that a Contract Negotiating Committee be immediately established to handle negotiations between individuals and groups under the supervision of the Board of Selectmen. The committee was promptly formed and has been very busy from the first. The Contract Negotiating Committee is made up of the following:

Vincent J. DeBaggis (Chairman)	Chairman of Selectmen
Albert R. Brunelli	Selectman
Edmund J. Keefe	Chairman of Personnel Board
Richard L. Sneden	Secretary of Personnel Board
John D. Dougherty	Personnel Board

At the next Annual Town Meeting, the Personnel Board will propose and advocate certain amendments to the By-Law, designed to enhance its usefulness to the Town.

The Board feels significant progress has been made in implementing the new By-Law and the year 1971 will see further strides in the area of firm and equitable personnel practices.

Respectfully submitted,

Edmund J. Keefe, Chairman
Richard L. Sneden, Secretary
John D. Dougherty
Paul S. Fath
Frederick Swan

REPORT OF THE TOWN PLANNING BOARD

To the Honorable Board of Selectmen:

The past year was indeed a busy one for the Planning Board.

25 Zoning articles were inserted into the warrant for the Annual Town Meeting, either by the Board or by petition. This far surpassed the number of articles inserted in past years. In accordance with Ch. 40A of the General Laws, the Board held public hearings on each of these articles and made recommendations to the Town Meeting. In all but one instance, the voters followed the Board's recommendation.

Several hearings were held on revisions to the Subdivision Rules and Regulations. Many of these changes were subsequently adopted and are being incorporated into the particular By-Laws involved. Among these are Work Notification to Town departments and Terracing.

In addition to the ceaseless task of reviewing and upgrading of Zoning and Subdivision Laws, there are certain areas into which the Board will delve this year. Among these are:

1. A natural resources study
2. The possible establishment of a Department of Natural Resources in accordance with newly adopted legislation.
3. A projected population density survey.

The Board wishes to extend our gratification to all who assisted us this past year, particularly to the Building Inspector, who, in fact, enforces the laws which we recommend and the people approve.

Respectfully submitted,

Paul M. DeBaggis, Chairman
Charles McNally, Vice-Chairman
William Barker, Jr., Secretary
W. Roger Brunelli
Nicholas Giardino
FRANKLIN PLANNING BOARD

REPORT OF VETERANS AGENT & DIRECTOR

To the Honorable Board of Selectmen:

Herewith submitted is the annual report of the Department of Veterans Services, which was established under Chapter 115, G.L., as amended, for the year, 1970.

During 1970, sixty-five veteran families were assisted for varying lengths of time, either directly, through cash, or medically, to the person or hospital providing the service. The State, in these cases, provides a 50% reimbursement to the Town of the amount expended.

Massachusetts is unique in this program. In any other state, veterans must apply for assistance through the Welfare Department. And since we do have "local control", there is less chance for abuse.

This office also renders assistance to veterans and dependents who are applying for Veterans Administration benefits such as pension, compensation, education, etc.

I would like to take this opportunity to thank the Board of Selectmen and other Town departments for their cooperation during the past year.

Respectfully submitted,

Carmelita Healey
Veterans Agent & Director

REPORT OF INSPECTOR OF ANIMALS

To the Honorable Board of Selectmen:

The Annual Inspection of stables and barns, 38 in all, in the Town show 122 horses, 36 ponies, 274 dairy animals, cows, heifers and calves, 44 beef animals, 22 sheep, 2 goats, and 6 pigs.

There were 9 dog bites reported and no cases of rabies.

Respectfully submitted,

Richard M. Hancock, D.V.M.

REPORT OF THE FRANKLIN HOUSING AUTHORITY

To the Honorable Board of Selectmen:

The Franklin Housing Authority consists of 80 units for senior citizens and 28 units for low income and Veteran families.

Eligibility is based on annual income as follows:

Senior Citizens rents based on 25% of earnings.

Low income based on 14, 16, & 18% of gross income.

During 1970 we replaced the asbestos siding on five duplex dwellings with vinyl siding.

Any citizen or veteran desiring accommodations must file an application with the executive director at the office off Wachusetts Street. The Franklin Housing Authority Board meets every second Monday of every month at 7:30 P.M. at its office at Central Park Terrace.

The Franklin Housing Authority takes this opportunity to thank the Honorable Board of Selectmen, the Board of Public Works, the Board of Public Welfare, the Police and Fire Departments, the Franklin Nursing Association, and any and all social and civic organizations and the general public for their splendid cooperation and assistance given us during the past year.

Bruno DiCecco, Chairman
Grace Rosa, Vice Chairman
Bruno DiCecco, Treasurer
Clement Brunelli, Assistant Treasurer
William Tracy, Secretary
Ruth Emmons, State Appointee
Charles Paul Buchanio, Executive Director

REPORT OF THE FRANKLIN CONSERVATION COMMISSION

To the Honorable Board of Selectmen:

The Commission's land off Summer Street has been opened for Boy and Girl Scout use for hiking, land trails and camping. There is approximately 90 acres available. We anticipate an archery range, better trails and more wildlife so that young and old can enjoy themselves.

During the year our greatest concern has been in connection with the problems involved in the reflooding of Mine Brook. It is an area covering 110 acres of marshland and Beaver Pond. One of the major obstacles in our reclamation project has been the operation of the Town Dump which adjoins the marshland and the possibility of it as a source of pollution. During the year we have met with the Dump Operator and concurred with his plan to construct a stone fill barrier between the dump and the proposed pond to lessen the chance of pollution.

In December of 1970 our Commission met with Bruce Gullion, Director of Forests and Parks, of the Department of Natural Resources, to explain to him our method for controlling any pollution from the dump. Our hope is that the State will acquire the site for the dam to control Mine Brook Pond.

In connection with this and to further encourage the State to develop the Pond as well as the 470 acre State Forest land, we have agreed to grant flowage rights for this purpose.

Two of our members served on the Beaver Pond Recreational Committee whose purpose was to plan for a swimming area adjacent to Beaver Pond. The Commission prepared a plan showing soundings and conditions on the section of the Pond to be developed.

We are still working for the youth and the best interests of the Town taxpayers.

Respectfully submitted,

Albert F. Granger, Chairman
Jeannette Harding, Secretary
J. Walter Chilson
Roger A. Rondeau

REPORT OF THE SCHOOL COMMITTEE

To the Citizens of Franklin:

The School Committee herein submits its report for 1970. A review of significant events met and reviewed in 1970 follows. More detailed descriptions of the operations of the Franklin Schools are found in the reports of school officials in the pages that follow. Those reports not found in the town report are on file at the office of the Superintendent and may be seen on request.

There were twenty-four regular meetings of the School Committee during 1970. These open meetings were attended by citizens of Franklin. The numbers of visitors varied with interest in the published agendas. It is encouraging to the Committee to note public interest in our meetings.

One of our most significant moves as a Committee was to have a task force from the Massachusetts Department of Education survey our schools and make recommendations as to future deployment of pupils. Their findings have been well publicized. Their report is on file in the school office. Two decisions of the Committee were based on the findings of the task force. The first of these was the phasing out of the Horace Mann School when space becomes available as a result of the opening of the new high school. The other was the decision to place grades five and six in two wings of the new high school.

Our budget continues to increase. Each year the amounts are larger than the year before. This is caused by our ever increasing enrollment plus the inflationary spiral of wages and prices. A recent report from the Massachusetts Office of Education shows Franklin to be in the 55th percentile as to per pupil expenditures. In other words, we are slightly above the average for per pupil expenditures in the Commonwealth.

A complete study of needed renovations to the Davis Thayer School was undertaken during 1970. The architectural firm of James Hopkins Associates was retained to make the study. As a result an article has been placed in the warrant for the annual town meeting asking for funds to implement the renovations.

Negotiations with all school personnel as to wages and other conditions of employment were carried on in sessions in addition to our regular meetings. We retained Mr. James T. Grady of Mansfield as our negotiator.

Carlo Geromini, a school committee member and former chairman of the Committee, decided not to run for re-election in 1970 after six years of devoted service to the children of Franklin. We thank him for that service and wish him well.

A search for a principal of the High School to be opened in September, 1971 was conducted during the latter part of 1970. The position was widely advertised. Eighty candidates applied. Fifteen were interviewed. Our choice of Mr. Alfonso J. D'Aniello, is, we feel, one of an outstanding school administrator. We are impressed

with his qualifications, his enthusiasm and his apparent ability in his field.

The School Committee was saddened by the death of Robert C. Feeley which occurred on November 20th, 1970 after many years of faithful service as custodian of the Theron Metcalf School.

We regret his passing. We will all miss him.

One of our continuing problems is that of space. We are scheduled to open public kindergartens in Franklin in the fall of 1972. We anticipate the closing of grade seven at St. Mary's School. More space will be necessary very shortly for our elementary grades. One promising area is that of the year round school. This is being investigated and may hold a solution to this problem. The only alternative to the year round school is more building which seems prohibitively expensive.

The Franklin School System, as other school systems, is beset with problems of space and of finance. The future will see the continuation of these problems. The School Committee needs and asks the advice and support of all segments of the Franklin population. We are constantly concerned with the educational needs of all our youth. To meet those needs we dedicate our efforts and ask for your continued support and cooperation.

Respectfully submitted,

Frank D. DeLucia
Frieda B. Symmes
J. Gerald Ryan
Janet M. Guidrey
Fred D'Errico

REPORT OF THE SUPERINTENDENT OF SCHOOLS FOR 1970

To the School Committee:

I herewith submit my report as Superintendent of Schools for 1970. This is the seventeenth report of your current superintendent and the eightieth in the series of annual reports from the Franklin Superintendent of Schools.

The stated philosophy of the Franklin school system written simply is as follows:

"Our democratically organized schools should provide a desirable environment when the children of all the people are given countless opportunities to grow at their own rate in each individual's way, physically, emotionally, mentally and socially."

In this report I should like to present a design for our schools to implement the above stated philosophy.

1. The emphasis in Franklin schools should be upon learning rather than teaching. The terms are far from being equal. Our efforts must be centered upon the individual. His learning processes must be enhanced to the limit of his and our capabilities. This idea is basic and upon it our school's procedures must be based.

2. A student is a person. He must be considered as such. This means that he shall have the rights of a person and among these rights is that of questioning. He must be encouraged to question and to seek solutions of his own. To deny the student the right to doubt and to question is to encourage the development of a citizenry who will follow blindly one course or another. Democracy cannot survive with such a citizenry.

3. The teacher is not a lecturer, but rather a partner in the learning process. This means that a teacher knows and helps individuals to learn. This presents a difficult but most rewarding task for the teacher. He becomes not a conveyor of knowledge who is never wrong and not to be questioned. He assumes a far more important leadership role, (He is always the leader of his group), that of knowing his students' individual accomplishments to be able to lead him from one plateau of concepts to another. He capitalizes upon the shown interests of his pupils to teach him to think.

4. All people need success to grow. Nothing is more frustrating or apathy encouraging as continued failure of a child placed in a position where he cannot succeed. Teachers, supervisors, specialists and administrators must strive to give each child a feeling of success. Not all children can succeed in all phases of the educational process but all children can have success in some area of his work. It is our task to find that area.

5. The process of thinking must be encouraged at all times. It is impossible to impart all needed knowledge to children by any method. If we can, through our

efforts, teach the student to think, to draw conclusions from experiences, he becomes then a self educator for the rest of his life. Rote learning or busy work must be de-emphasized. A pupil taught to have judgment and prethought can perceive problems as well as solve them.

6. Learning must be relevant to the individual's own sense of reality. The teacher and class should strive constantly to enter into meaningful learning situations. Much of the failure of education can be traced to teaching-learning problems unrelated to the experience of children. An extreme example of this would be trying to teach an Eskimo child to read pictures of palm trees, bananas, and other tropical flora and fauna which would be greatly remote from his real world.

7. People have a strong and inherent desire to learn. One of the greatest assets of the teacher is the child's desire to explore, to learn about himself, his environment, and to make sense of his relationship to it. In order to make the most of school he must see the purpose in it. To involve youngsters in the planning of learning experiences is to enhance his natural desire to learn. In the process of growing up much is learned independently. The school must be an extension of the natural learning process.

8. Individuals should be encouraged to work according to his own abilities. A child not working to his natural capacity is as badly off as a child faced with tasks he has not the ability to solve.

9. The development of a set of values for each child is one of the most necessary and rewarding parts of education. A set of values for the individual cannot be dictated by the teacher. There must be opportunities to develop honesty, integrity, loyalty, devotion to duty, morality and those other positive values so necessary to enriched living through school experiences.

10. If learning is to be individualized, then evaluation of the child must become individualized as well. Evaluation based upon standardized expectancies tends to standardize learning. We must develop ways to assess the individual's strengths and weaknesses as well as his progress. The worth of evaluation lies in its contribution to strengthen the learning process.

11. We must expand the learning environment. To limit learning experiences entirely to the classroom is to deny the student both the wealth of the community in terms of places to learn and in terms of the rich human resources of the community. Ways must be found to take learners to places of learning and to involve people of the community in education.

Some additional thoughts on a design for Franklin education in capsule form follow:

Children should be encouraged to learn from each other.

The community must be an active supporter of the schools.

Children must be given opportunity to develop a sense of responsibility.

Schools must not be artificially compartmentalized into subject or student groups. This interferes rather than enhances the learning process.

The report of the Assistant Superintendent, the High School Principal, and the usual statistical reports follow. Other reports are on file at the Superintendent's office and are open to examination on request.

Respectfully submitted,

BENJAMIN D. THOMAS

REPORT OF THE ASSISTANT SUPERINTENDENT OF SCHOOLS

The curriculum of the Franklin Public Schools continues to become more relevant to the needs of the Franklin youth. The relative success or failure of children depends upon their early school years. Through our ever-changing curriculum, we hope to continue to provide each child with the basic skills necessary to experience success in learning. The importance of these elementary years cannot be stressed enough. We have recognized the need to look upon each child as an individual in terms of wants and needs. The system of grouping youngsters for classes in Language Arts and Mathematics allows each child to progress according to his ability in each area. It is hoped that this minimizes the aspect of academic failure in the core areas which so often can be attributed to a child's lack of response in later years. One thing is certain, whatever a child's native ability may be, he can learn and the instructional program must provide for the individual needs of all children.

In all grades, the School System has strived to keep the pupil-teacher ratio at twenty-five students per teacher. However, in the critical primary grades, this ratio has increased as the grade population has risen. It is not uncommon to find certain classes with over thirty students and in particular, classes for slow learners with twenty to twenty-five or more. If our philosophy of individualizing our program of studies is to remain a reality, we must all realize that the classes for elementary slow learners must be reduced in size. We cannot hope to reach each child with the numbers that exist and we must not think that once the student reaches the smaller class sizes in high school that his problems will be solved. The problem will only be compounded and more difficult to solve with each passing year. Emphasis must be placed on these classes as soon as possible.

As the child progresses through his early educational years, with the focus on the acquisition of concepts and basic skills in academic areas, we must not lose sight of the need of additional instructional time in the areas of Art, Music and Physical Education. At the present, we are not even meeting the minimum state standards for elementary students in these three areas. When the child continues into the middle and secondary grades, it is our desire to confront him with programs of inquiry and exploration which will stimulate his intellect and continue to arouse the innate curiosity which we all possess. Under investigation are courses in

the Sciences which will focus on student participation through experimentation. We hope to provide courses that will enable young people to communicate more effectively and to develop an appreciation for our heritage and the problems which face society today. Provision has and will continue to be made to develop relative programs of study: such as, Home Building, Distributive Education and other practical arts courses enabling students to be better prepared to take their place in various skilled and semi-skilled occupations upon graduation.

Our goals are many and one way in which we have established the lines of communication throughout our system to evaluate and develop instructional programs is through the early dismissal curriculum days that were instituted this year. This time affords teachers the opportunity of meeting together to formulate educational objectives, re-assess and develop curriculum practices and learn of new techniques of instruction that would benefit the children of Franklin. The activities are too numerous to mention in this report but the effect of this time on the over-all school program is profound in terms of academic coordination.

The following are some examples of meetings that have occurred thus far in our four monthly meetings: the continued development of sequential programs of studies in Reading and Mathematics for Grades 1-12 with instructional demonstrations and techniques shared by our own personnel as well as that of educational consultants; continual evaluation of the new Social Studies program in the primary grades through meeting with publishing company representatives; enhancing our curriculum through more effective use of audio-visual aids; planning for the transition from the present high school to the new senior high school and the establishment of a sound program of exploratory studies for grades 7 and 8; incorporating teaching tapes in elementary and secondary academic area classes for group and individualized instruction; consultation with Clark University professors with the secondary Social Studies department for effective implementation of the new Fenton Social Studies series; and most important perhaps, the continual dialogue among staff members in searching for improved instructional methods.

This is our commitment to youth, a commitment which cannot be borne by the School Department alone, for it must have the continued encouragement and support of the townspeople of Franklin. This support has been evidenced through the willingness of parents to lend supportive aid in the classroom and in other ways that benefit our children. This is the age of parent involvement, and rightly so, as educators today realize that the education of our youth is a cooperative venture, by the home and school. In the future, we will seek more parent assistance to help the schools achieve their educational goals and thereby provide better school-community understanding.

Respectfully submitted,

ROBERT CRESTO

REPORT OF THE PRINCIPAL OF THE HIGH SCHOOL

To the Superintendent of Schools:

The following is my twelfth annual report as Principal of Franklin High School.

I. School Plant. Several changes have taken place in our physical plant this year because of the additional pupil load and the additional new subjects and teachers. In both the morning and the afternoon sessions we are using the lobby of the auditorium, the stage of the auditorium, the auditorium itself, and the girls' physical fitness room for class rooms. The library is also used several periods during the day for classroom use. All these moves were necessitated by an increase in the school population during the 1969-1970 school year.

When we made our report last year we predicted that the morning session would probably be crowded but that the afternoon session would not be too bad. However, in August it was announced that St. Mary's 8th grade would not be in operation and we automatically had 80 students added to our afternoon enrollment, which necessitated hiring five new teachers. As a result we were practically at full capacity. We are now, in the morning and afternoon sessions, taking care of over 1600 students. We are utilizing our building to its fullest extent, but the building still remains in excellent condition thanks to the fine work of our custodians. It appears now that the school population for grades 9 through 12 next fall in the new high school will run somewhere around 1400, leaving ample room for the fifth and sixth grades. The picture at the present high school, which will be used by grades 7 and 8 next September is not as bright with an anticipated enrollment of 880 in the 7th and 8th grades in a building whose absolute capacity is 900. The school enrollment as of October 1 is as follows:

A.M.	Boys	Girls	Total
PG		1	1
12	116	148	264
11	153	148	301
10	149	131	280
Spec. Cl.	7	3	10
Total A.M.	425	431	856
P.M.			
9	191	207	398
8	180	178	358
Total P.M.	371	385	756

Total both sessions

1612

As has been stated, the enrollment for the 1971-72 school year in the 7th and 8th grades will be very close to capacity, and under these circumstances it is going

to be a very trying problem to keep our classes down to reasonable size. By reasonable size we imply 25 or less per class. Again, it will not be a lack of teachers but a lack of rooms in which to place teachers.

At the end of the 1969-70 school year we lost ten teachers for various reasons: some went on to higher-paying positions, some left for family reasons, some moved, and four were not rehired. Two of our teachers are on sabbatical leave; Mr. Rainville of the Guidance Department is at the University of Massachusetts for one year and Mr. Ralph Jacobs of the Industrial Arts Department is pursuing studies at the Boston State College for a half year.

All of the teachers who left were replaced and an additional fifteen teachers employed for the current year. Five of these were necessitated by the addition of St. Mary's 8th grade to our 8th grade. We now have a faculty in the morning of 44, in the afternoon of 35, and 14 who teach over both sessions.

Further personnel has been added to the system which has increased our pupil personnel services. We have added Mrs. Curry to our Reading Department which has given us some much-needed help in that area. We have added two people to the Physical Education Department on a part-time basis, teaching the Health Education classes in the afternoon session, Mrs. Todaro and Mr. Donovan. This move made it possible to free Miss Beane, Director of Girls' Physical Education, and Mr. Edwards, Director of Boys' Physical Education, for more supervisory work in the over-all physical education program for boys and girls in the town.

Next September, with the opening of our new high school, double sessions in the town will come to an end. As a principal who was in double sessions for seven of the twelve years, I can only hope that every precaution will be taken to prevent double sessions from ever coming to Franklin again.

II. School Attendance. School attendance under the present laws of the Commonwealth of Massachusetts continues to worsen each year. By attendance we are referring to absenteeism, tardiness, truancy, dismissals, and absenteeism from individual classes. Despite the combined efforts of myself, my two vice principals, the attendance officer, Mr. Carr, and the vigilance of the secretaries in the office, the attendance picture continues to worsen. It would appear that because of the manner in which things are going schools in Massachusetts are heading toward eventually adopting a campus-type school where attendance will only be required of students when they have an academic class. Experimenting is already going on in this practice in half a dozen pilot schools in Massachusetts. Whether or not this is the solution to the problem cannot be determined until we have a larger number of schools employing this system. One thing is certain: under our present conditions of living, compulsory attendance laws and education laws in the secondary schools in Massachusetts have become a farce. Our special Truancy Board, which was established last year, continues to operate this year and has become augmented to include truancy and discipline. The board does an excellent job but it is obvious that it has only the time to take care of the more flagrant abuses.

III. Curriculum. A number of additions were made to the curriculum at Franklin High School this year enhancing the program at the college preparatory level, the business level, and the general level. One of the most interesting courses at the college level is the new American Studies course which is composed of a group of 48 accelerated juniors who are scheduled in back-to-back classes in accelerated English and United States History. This makes it possible for the two teachers involved to engage in team teaching, to have regular classes of 40 minutes, or double periods of 80 minutes. Thus far it has worked out very well. Another area in which team teaching has been introduced this year is in the area of Consumer Economics. Here we have team teaching going on involving one teacher from the Business Department and one teacher from the Home Economics Department. Also, in the Home Economics Department this year we have a new course open to senior boys and girls in "Family Living." This course was instituted after a case survey by our curriculum coordinator and assistant superintendent, Mr. Cresto, consultations with parents, and a careful study of all texts available in the area. It has proven to be a very popular course. In the Industrial Arts Department we have introduced a new course in Home Building. In this course a group of selected senior boys gets actual practice in home building and takes many field trips to areas where home building is in progress. In our Science Department we have added a new and popular course in Ecology. Here is another course in which many field trips are undertaken. We also have a new course in Russian I which is being offered to 9th grade students by Mr. Kemp, Chairman of the Foreign Language Department.

It is more than likely that a number of new courses will be added to the curriculum when the new high school is opened in September. Expansion of the program in English, Business, Science, Foreign Language, and Industrial Arts is most likely.

IV. Innovations. A number of innovations have been offered at the high school level this year. Whereas the present high school building does not too readily fit an innovative program, it was decided to get a little of it before going into the new high school. The three major innovations this year were as follows: 1) Open study where, during the good weather, students who had a study period could go outside the building and utilize the school grounds if they desired. Also in the area of study was the creation of a senior study in the cafeteria for parts of the day. 2) The second innovation was the creation of the open lunch where, starting at 10:30 in the morning and running until 12:30 or the close of school, any student who had a free period could go to the cafeteria and have a hot lunch. Previously under double sessions there were no hot lunches served. 3) The final innovation was an introduction of a modular system with the day divided into 20-minute modules making it possible to have 20-minute periods, 40-minute periods, or 80-minute periods, and also making it possible to have large classes or small classes under the modular set-up. Considering the fact that the building is not adapted to this type of program it has worked rather well and most students have cooperated in carrying it out.

V. Class of 1970. In June of 1970 we graduated a class of 233 seniors. Of this class of 233, 55% went on to further their education in various ways. 78, or 33 1/3%, which represented an increase of 5% over the previous year, went on to

4-year colleges, such schools as Harvard and Stanford University; 23, or 10%, went on to junior colleges; 4, or 2%, went on to business schools; 5, or 2%, went on to nursing schools; 17, or 7%, went on to technical schools; 1, or $\frac{1}{2}\%$, went on to preparatory school; 13, or $5\frac{1}{2}\%$, went into service; 78, or $33\frac{1}{3}\%$, went on to gainful employment; 14, or 6%, were classified as miscellaneous.

More than \$5,000 was given out in local scholarships at graduation. Close to \$10,000 was awarded to six different members of the graduating class by outside foundations. Of the \$5,000 which was given out locally I wish to thank and congratulate all those donors for furthering the education of our graduates.

VI. Conclusion. At this time, as I look forward in June to stepping out of the secondary school picture after having been involved in it for thirty-four years, sixteen as an administrator and eighteen as a teacher and coach, I wish to express my gratitude to all those people who have helped me along the way. You cannot be involved in a particular scene for thirty-four years without having some misgivings about leaving it. I have seen many changes in those thirty-four years and most of them have been for the good.

I wish my successor, Mr. D'Aniello, a former student of mine, every success as he takes over his duties as principal of the high school in September. I only wish that he will have the same high rate of cooperation from those with whom he is involved as I have had for the past thirty-four years.

I especially wish to thank Mr. Thomas who has been a friend and confidante for the sixteen years I have been in administration. I also wish to thank the School Committee for their cooperation through the years.

I want to express my thanks for my very capable vice principals, Mr. Rose and Mr. Rex, who have weathered the storm during double sessions. I also wish to thank my personal secretary, Mrs. Fleming, for the efficient way she has handled all the office details particularly during the last twelve years.

In September I shall be assuming the duties of principal of the junior high school in the present high school building. I shall lend my every effort towards offering a sound program at this level.

Respectfully submitted,

Henri C. Beane
Principal

ANNUAL REPORT OF THE BOARD OF SELECTMEN

Following the Town Election held on March 10, 1970, at which time Albert R. Brunelli was elected for a three year term, the Board of Selectmen held an organizational meeting and Vincent J. DeBaggis was elected Chairman of the Board. Mr. John J. McCahill was elected Clerk and Mrs. Ruth Chism was reappointed Board Secretary.

During the year 1970, the office of the Board of Selectmen collected a total of \$17,198.00 in fees for various types of licenses including alcoholic, auto dealers, pistol permits, firearms dealers, common victualler, entertainment, autctioneers, etc.

Parking meter receipts for the year totaled \$2,707.70 making a total of \$10,900.71 in the Parking Meter Fund.

Pursuant to the vote of the Annual Town Meeting, the work on the addition to the Fire Station was started late in the year and as of the date of this writing is nearing completion. Our enlarged facility should give us many years of efficient service.

During the summer, the Town Officials were informed by Honeywell Corporation that they would not locate in Franklin as originally planned. Your Board of Selectmen and the Industrial Development Commission are still working diligently toward acquiring more industry for Franklin.

There are still various suits pending against the Town among which are the Kingsbury Pond suit, LeVay versus the Town of Franklin and others.

A meeting was held among the Board of Selectmen, Board of Public Works, Norfolk County Commissioners, members of the School Committee and interested citizens relative to the relocating of Elm Street. A great number of objections were voiced by residents of Elm and Partridge Streets and as of the writing of this report, a final decision by the Norfolk County Commissioners is still pending.

During the year, resignation was accepted from Board of Health member Dr. Lincoln Dana. Mr. John Rizoli was appointed to fill his term. Mr. Howard A. Miller, Jr. resigned from the Planning Board and Mr. W. Roger Brunelli was appointed to fill the unexpired term.

We wish to thank all the Town Officials and various departments for their continued cooperation.

Respectfully submitted,

Vincent J. DeBaggis, Chairman
John J. McCahill
Albert R. Brunelli
BOARD OF SELECTMEN

WARRANT FOR THE ANNUAL TOWN MEETING

MARCH 9, 1971

COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To either of the Constables of the Town of Franklin in the County of Norfolk

Greeting:

You are hereby required in the name of the Commonwealth of Massachusetts to notify and warn the qualified voters of the said Town of Franklin to assemble in the High School on Tuesday, the Ninth Day of March, A. D., 1971, it being the second Tuesday of March at six o'clock in the forenoon and remain in session until eight o'clock in the evening then and there to act on the following articles, viz:

Article 1. To choose by ballot the following Town Officers, viz: One Moderator for a term of one year; one Selectman, one Treasurer-Collector, one Assessor, one member of the Board of Public Works, two members of the School Committee, three Constables and one member of the Board of Health, all for the term of three years; one member of the Planning Board, one member of the Housing Authority, and one member of the Urban Redevelopment Authority, all for the term of five years; one member of the Planning Board for the term of one year (to fill vacancy), one member of the Planning Board for the term of two years (to fill vacancy); nine members of the Charter Commission, and also on the same ballot to vote on the following question:

QUESTION

"Shall a commission be elected to frame a charter for the Town of Franklin?"

Yes

No

Article 2. To choose all other necessary Town Officers.

Article 3. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money in anticipation of the revenue for financial years beginning January 1, 1971 and January 1, 1972, in accordance with provisions of General Laws, Chapter 44, Section 4, and to renew any note or notes as may be given for a period of less than one year, in accordance with the provisions of General Laws, Chapter 44, Section 17, or take any other action relative thereto.

Article 4. To hear a report of the Town Officers and Committees and act thereon.

Article 5. To see if the Town will vote to establish the annual salaries of the following elected officials, effective January 1, 1971: Moderator, Selectmen, Town Clerk, Town Treasurer-Collector, Assessors, Board of Public Works, Board of Health or take any action relative thereto.

Article 6. To see if the Town will vote to amend the Personnel By-Law, Section 7 Schedules A through and including I and Section 10, I, or take any action relative thereto. (Personnel Board)

Article 7. To determine what sums of money the Town will raise and appropriate, or transfer, including appropriations from available funds, for the operation of the government including debt and interest, and to provide for a reserve fund for the current year, or take any action relative thereto.

Article 8. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to the Stabilization Fund, or take any action relative thereto. (By Town Accountant)

Article 9. To see if the Town will vote to rescind the unissued balance of the following Loans authorized and unissued:

\$300,000.00 authorized under Article 3, Special Town Meeting of October 24, 1967,
\$100,000.00 authorized under Article 5, Special Town Meeting of June 20, 1958,
\$110,000.00 authorized under Article 4, Special Town Meeting of March 24, 1970,

or do anything relative thereto. (By Town Accountant)

Article 10. To see if the Town will amend the By-Laws of the Town of Franklin in the following manner:
By deleting the last sentence of Section 7 of Article 1 of said By-Laws so that said Section 7, Article 1, will read as follows: Section 7. Upon taking a vote upon any question, if the decision of the Moderator is doubted, or a division of the house called for, the Moderator shall request the house to be seated, and shall appoint tellers. The question shall then be distinctly stated, and those in the affirmative and negative respectively shall be requested to rise and stand in their places until they are counted by the tellers, who shall count each side and make report thereof to the Moderator. Upon request of 25 members or more, voting on the question shall be by slips answering "yes" or "no." (By Town Clerk and Town Moderator)

Article 11. To see if the Town will vote to raise and appropriate, or transfer from available funds a sum of money to be used by the Franklin Historical Commission for the purposes of gathering and preserving historical documents and other historical data, said sum to be expended under the direction of the Franklin Historical Commission or take any action relative thereto. (By Franklin Historical Commission)

Article 12. To see if the Town will vote to raise and appropriate, or transfer from available funds, a sum of money including the trade-in value of a 1967 Ford

Ranch Wagon for the purpose of buying a new car for the Fire Chief, said funds to be expended by the Fire Chief and the Board of Selectmen, or do anything relative thereto. (By Fire Chief and Board of Selectmen)

Article 13. To see if the Town will vote to raise and appropriate, or transfer from available funds a sum of money for the purpose of making alterations, repairs, additions, and renovations to the existing Town Hall, said sum to be expended under the direction of the Board of Selectmen, or take any action relative thereto. (By Board of Selectmen)

Article 14. To see whether the Town will vote to approve the construction of an additional housing development by the Franklin Housing Authority, namely: Housing for Elderly Persons, under the provisions of Chapter 667, Acts of 1954, as amended (Section 26VV, General Laws, Chapter 121), or take any other action relative thereto. (By Franklin Housing Authority)

Article 15. To see if the Town will vote to raise and appropriate, or transfer from available funds, a sum of money to be used in conjunction with funds from the Commonwealth, for renovation and repair of the Davis Thayer School, or take any action relative thereto. (By School Committee)

Article 16. To see if the Town will vote to create a Council on Aging and to adopt the following By-Law in accordance with the provisions of Chapter 40, Section 8B, of the General Laws:

Section 1. The Board of Selectmen shall appoint a Council on Aging for the purpose of coordinating or carrying out programs designed to meet the problems of the aging in coordination with programs of the Commission on Aging established under Chapter 6, Section 73, of the General Laws.

Section 2. The Board of Selectmen shall appoint the Council on Aging consisting of nine (9) members. Upon approval of this By-Law, the Board shall appoint three (3) members for three (3) year terms, three (3) members for two (2) year terms and three (3) members for one (1) year terms. Thereafter each member shall be appointed for a three (3) year term. Members can be reappointed for concurrent terms. The members of the Council shall serve without pay.

Section 3. Whenever a vacancy shall occur in the membership of the Council, by reason of death, resignation, inability to act or for any other reason, the vacancy shall be filled by appointment by the Selectmen for the remainder of the term.

Section 4. The Council on Aging at its first annual meeting and thereafter annually in April of each year, shall elect from its membership a Chairman, Secretary and a Treasurer. Each officer shall hold office until the next annual election. In the event a vacancy occurs in any of the offices above, the Council shall hold a special meeting for the purpose of electing one of its members to fill such vacancy.

Section 5. The Council shall prepare and submit an annual report of its activities to the Town and shall send a copy thereof to the Commission on Aging.

Section 6. The Council may appoint such clerks and other employees as it may require.

or take any action relative thereto. (By Study Committee, Council on the Aging)

Article 17. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the use of the Council on Aging, said sum to be expended under the direction of the Council on the Aging, or take any action relative thereto. (By Study Committee, Council on the Aging)

Article 18. To see if the Town will vote to amend Article I, Section 4 of the By-Laws of the Town of Franklin so that said section shall read as follows:

Section 4. There shall be an Advisory Committee consisting of fifteen citizens of the Town, other than Town officers, appointed or elected. The Moderator shall appoint members each year as soon after the Annual Town Meeting as is practicable and in no event later than the first day of May. Any member of said Committee who shall be elected to Town office shall forthwith upon his qualification in such office, and any member who shall remove from the Town shall upon such removal, cease to be a member of said Committee. Members absent from more than five consecutive meetings may be removed by a two-thirds vote of the other members, present and voting. Said Committee shall choose its own officers. The members of said Committee shall, with the exception of the Clerk, serve without salary.

In the event of any vacancy in its membership, the Advisory Committee shall notify the Moderator in writing, and the Moderator shall thereupon fill such vacancy.

The Advisory Committee shall consider all matters of business included within the articles of any Warrant for a Town Meeting, and shall, after due consideration report thereon in print its recommendation as to each article. The Selectmen shall send to the Clerk of the Advisory Committee 20 copies of the Warrant for any Town Meeting as soon as it is prepared or received by them.

Upon receipt of estimates and statements filed with the Town Accountant for amounts necessary for the administration of various offices and departments for an ensuing year, the Advisory Committee shall duly consider these estimates and statements, confer with Town Boards, Officers and Committees, and hold hearings if they deem it necessary. The Advisory Committee shall thereupon recommend to the Town Meeting such sums and in such division of items as it considers necessary and convenient.

The Committee may appoint sub-committees and delegate to them such of its powers as it deems expedient.

or take any action relative thereto. (By Advisory Committee)

Article 19. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of Nine Thousand Dollars (\$9,000.00) for Chapter 90 New Construction on Oak, Forge Hill and Pond Streets; also the sum of Four

Thousand Dollars (\$4,000.00) for the repair and maintenance of Chapter 90 Roads, said sum to be used in conjunction with any funds which may be allotted by the State, County or both, for these purposes, the same to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Public Works)

Article 20. To see if the Town will vote to raise and appropriate or transfer from available funds, a sum of money for the purpose of installing a Twelve Inch (12") Water Main, from the Well No. 1, No. 2 to a point on McCarthy Street approximately Two Thousand Feet (2000 ft.) more or less including all the necessary valves, gates, fittings, etc. to improve the Water System and rust condition. Said sum to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Public Works)

Article 21. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the purpose of making repairs to the Bandstand on the Common, said sum to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Selectmen and Board of Public Works)

Article 22. To see if the Town will vote to raise and appropriate, or transfer from available funds a sum of money to provide for the collection and disposal of refuse and solid wastes by contract, said sum to be expended under the direction of the Board of Selectmen, or take any action relative thereto. (By Board of Selectmen)

Article 23. To see if the Town will vote to authorize the Moderator to appoint a Committee of Five (5) Members to include one (1) member chosen by the Board of Public Works, one (1) member from the Board of Selectmen and three (3) other members to study the needs for adequate quarters for Department of Public Works Personnel and equipment by means of a New Building or Addition, and that said Committee make a report and recommendation no later than the next Annual Town Meeting and that a sum of money be raised and appropriated or transferred from available funds to be used by said Committee or take any action relating thereto. (By Board of Public Works)

Article 24. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to be used by the Beaver Pond Recreation Committee for the development of said Beaver Pond area into a swimming and recreational area or do anything relative thereto. (By Beaver Pond Recreation Committee)

Article 25. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to acquire from Ober's Realty, Inc., its successors or assigns, a certain parcel of land situated on the easterly side of Summer Street in said Franklin, bounded westerly by said Summer Street for a distance of three hundred seventy-five (375) feet more or less; southerly by land of Ober's Realty, Inc. and land now or formerly of Anna G. Ober for a distance of twelve hundred (1200) feet more or less; easterly by land of Town of Franklin for a dis-

tance of three hundred and seventy-five (375) feet more or less; and northerly by land of Town of Franklin and the Calvary Baptist Church for a distance of twelve hundred (1200) feet more or less, shown on a plan entitled "Plan of Land in Franklin, Massachusetts, Walter E. Sampson, Reg. Land Surveyor, dated February 4, 1963", recorded with Norfolk Deeds as Plan 1327 - 1963 in Book 4128 Page 740, all in accordance with Article 36, as voted at the Annual Town Meeting held on March 28, 1963, said sum to be expended under the direction of the Board of Selectmen, or take any action relative thereto. (By Board of Selectmen)

Article 26. To see if the Town will vote to transfer from available funds under the provisions of Chapter 768, Acts of 1969, the sum of Ten Thousand Three Hundred Fifty-two Dollars and Seventy-nine Cents (\$10,352.79) for the purpose of reconstruction, maintenance and repair of Town Streets, said sum to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Public Works)

Article 27. To see if the Town will vote to appropriate the income of the Fletcher Fund for the construction of a maintenance and storage shed at Fletcher Field, said sum to be expended under the direction of the Recreation Committee, or do anything relating thereto. (By Recreation Committee)

Article 28. To see if the Town will vote to authorize the Board of Assessors to appoint one of its members, Mr. John Yadisernia, as full time Assessor and to establish the salary for such office and to raise and appropriate or transfer from available funds a sum of money therefore. (By Board of Assessors)

Article 29. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of Three Thousand Eight Hundred Dollars (\$3,800.00) for the purchase of a new Pick-up Truck with Two-way Radio, said sum to be expended under the direction of the Superintendent of Insect and Pest Control, or take any action relative thereto. (By Superintendent of Insect Pest Control)

Article 30. To see if the Town will vote to authorize the Selectmen to enter into a contract with the Massachusetts Bay Transportation Authority in order to provide continuing passenger train service to the Town of Franklin; and to raise and appropriate or transfer from available funds, a sum of money necessary to fulfill any existing contractual obligations between the Town of Franklin and the Massachusetts Bay Transportation Authority; and to further provide sufficient funds to allow the Town to enter into another contract with said Massachusetts Bay Transportation Authority; or do anything relating thereto. (By Board of Selectmen)

Article 31. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for reconstruction of Sherman Avenue including sidewalk on one side, and drainage from Lincoln Street to a point at Pine Ridge Drive, approximately seven hundred and sixty feet (760 ft.) more or less. Said sum to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Public Works. A Petition Article)

Article 32. To see if the Town will vote to amend the Zoning Map of the Town of Franklin in the following manner: To rezone from Single Family Residential IV to Commercial I the following described land: Beginning at the point of intersection of the southerly side of Cottage Street and the westerly side of Wachusett Street; thence southwesterly along said Cottage Street to the existing Commercial I zone; thence southerly along said Commercial I zone to the point perpendicular to and 120 feet from Cottage Street; thence northeasterly to Wachusett Street on a line parallel to and 120 feet from Cottage Street; thence northwesterly along Wachusett Street to the point of beginning; meaning and intending to extend the existing Commercial I zone. (By Petition)

Article 33. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to engage a Consulting Electrical Engineer to make a study of the electrical system at all the Water and Sewer Pumping Stations including the Main Station that are in need of rehabilitation. Said sum to be expended under the direction of the Board of Public Works or take any action relative thereto. (By Board of Public Works)

Article 34. To see if the Town will vote to amend the Building By-Law by striking Article II, Section 1, and substituting in place thereof, the following:

“Section 1. The Board of Selectmen shall, annually in April, appoint a Building Inspector, who shall hold office for the term of one year or until such time as his successor is appointed. The Building Inspector shall be the head of a municipal department called the Department of Inspection.

For purposes of this By-Law, the offices of Wiring Inspector and Gas Inspector, and such other inspection offices as the appointing authority thereof shall so determine, shall be placed under the administrative control and supervision of the Building Inspector. The Building Inspector shall keep consolidated records of all inspections made pursuant to this By-Law or any other by-law or provisions of law concerning the erection, alteration and demolition of buildings within the Town.

The compensation of the Building Inspector shall be regulated by the Selectmen unless determined by a vote of the Town at the annual meeting preceding his appointment.

The Building Inspector shall not be interested in any building contract in the Town or have any interest in the furnishing of materials for any building therein; provided, however, that he may, with the written approval of the Selectmen, have such an interest if he wholly refrains from acting as inspector in the given case. In each such case, the Selectmen shall appoint a disinterested substitute to act therein with all the powers and duties of the regular inspector; and the compensation paid to such substitute shall be deducted from the salary or compensation which would otherwise be due the regular inspector. It shall be the duty of the Building Inspector to see that the provisions of this By-Law be enforced.”

or take any other action relating thereto. (By Board of Selectmen)(Purpose of Article: For Clarification)

Article 35. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money including the trade-in value of a 1952 International Pick-up Truck for the purchase of a 3/4 ton Pick-up Truck for the use of the Fire Department, said funds to be expended under the direction of the Fire Chief and the Board of Selectmen, or do anything relating thereto. (By Fire Chief and Board of Selectmen)

Article 36. To see if the Town will vote to authorize the Board of Selectmen to enter into agreements with the State Department of Natural Resources pertaining to the Skating Rink authorized under Chapter , including the transfer of a parcel of land. (By Board of Selectmen) Or do anything relating thereto.

Article 37. To see if the Town will vote to raise and appropriate the sum of Eight Thousand Dollars (\$8,000.00) to remove badly decayed and dangerous trees in our Town roads. Said sum to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Public Works)

Article 38. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the purpose of purchasing and equipping a Wood Chipper for use at the Town Dump. Said sum to be expended under the direction of the Board of Public Works, or take any action relative thereto. (By Board of Selectmen)

Article 39. To see if the Town will vote to support proposed revenue-sharing programs which will be before the 92nd United States Congress (1971) for the purpose of acquiring additional, needed revenues to assist in alleviating demands currently imposed on local property taxes, and to inform the entire Massachusetts congressional delegation of this positive action by town meeting members, or take any other action relative thereto. (By Board of Selectmen)

Article 40. To see if the Town will vote to amend the Zoning Map of the Town of Franklin in the following manner: To change from Single Family Residential III and Rural Residential II to Commercial II, a certain parcel of land situated on the northerly side of West Central Street, bounded and described as follows: Beginning at the southwesterly corner thereof at said street and land now of Albert A. D'Aniello, et ux; thence running

Easterly on said street 191 feet, more or less, to land now of Jensen-Bielski, Inc.; thence

Northerly on said Jensen-Bielski land 570 feet, more or less, to a point; thence

Westerly on said Jensen-Bielski land 220 feet, more or less, to a point at land now of Albert A. D'Aniello, et ux; thence

Southerly on land of said D'Aniello 593 feet, more or less to the point of beginning.

Said parcel is shown on a plan of "The Carlson Farm, Franklin, Mass.," May 25, 1917, A. Schuyler Clapp, C. E., recorded with Norfolk Deeds, Plan Book 85, Plan 4126; or take any other action relative thereto. (By Petition)

And you are directed to serve this warrant by posting attested copies thereof seven days at least before the time of meeting, as directed by vote of the Town.

Hereof fail not and make due return of this warrant with your doings thereon, at the time and place of meeting.

Given under our hands this Twenty-fifth day of January A. D., 1971.

Vincent J. DeBaggis
John J. McCahill
Albert R. Brunelli
